OFFICE NOTE No. 395

To

W.

With reference to para 2 of G.O. No. 108 W. dated 15th January 1890, I beg to point out that the proposed transfer from the grant for expenditure in India to that in England seems unnecessary, as all indents for stores required from England in this presidency are classed as provincial irrespective of the service head of account for which they are required vide note I to para 204I of P.W. Code (standing order No. 104 dated 19th March 1887).

Please let me know
whether the cost of the stores
should be treated as a
reduction of outlay against
grant under para 2038
of the P.W. Code as amend-
ed by S.O. No 236 d/
19th December 1887 and, if so,
whether the amount to
be reduced should not
be communicated to the
Government of India.

P.W. Code para 2038 refers to
stores the value of which is treat-
ed as final charges in the Home

accounts, whereas in the case under
reference, the indent for stores hav-
ing been classed as "Provincial" under
P.W. Code para 2041 note I, (standing
order No. 104 dated 18th March 1887),
the payments made in England will be
treated as remittances to India. There
is therefore no necessity for treat-
ing the cost of the stores as reduc-
tion of outlay, nor is it necessary to
make any communication to the Govern-
ment of India on the subject.
