To
The Secretary to the Government of Madras,
Public Works Department

Calcutta, the 10th February 1890.

Sir,

With reference to your letter No.
142 W. dated the 18th January 1890, forwarding
a memorial from Mr. J. Grimes, Executive
Engineer, praying that he may be granted
certain concessions, I am directed to state
that the orders contained in this Office letter
G 428 dated the 17th October 1889, in which
it was mentioned that if Mr. Grimes' services
were lent to the Local Fund under the
usual rules he need not be compelled to
retire under the Resolution of 1887, seem to
have been overlooked. The rules in question

As it is understood that such concession would meet the first of the three alternative requests put forward by Mr. Primes, I am to enquire whether in the opinion of His Excellency the Governor in Council, this arrangement cannot be carried out.

I have the honour to be

Govt. of India No. 372 P. & 10 Feb 4 1890

Sir,

In reply to your letter No. 372 P. & 10 Feb 4 1890, I am directed to state that the orders conveyed in your telegram No. 372 P. & 17 October 1889 were not executed when Mr. Primes' appeal was forwarded with my letter No. 142 W of 18 Jan 1890. Mr. Primes is an Engr. 2nd grade, and if his services were lent to the Local Fund Board as suggested, the salary to be paid to him, Rs. 800 per annum, plus the pension required on account of pensionary contribution, would

would be quite beyond the means of the Board, and much in excess of what it would be justified in paying for the services required by it of an Engineer. Further, the

2. In these circumstances, I am to state that the arrangement suggested by the Govt. of India cannot be carried out, and I am again to say that the third request put forward by Mr. Grimes for permission to draw full salary allowance in addition to the pay of the appointment of Local Fund Engineer, may be favorably considered by the Govt. of India.

3. If the Govt. of India is still unable to accede to his request I am to suggest that Mr. Grimes may be pensioned on his service in the Public Works Dept. and permitted to draw so much of the pension as with his local fund salary will be equivalent to his last salary in the P.W.D. under the spirit of article 569.
