Read the following paper:—

From the President, District Board, Malabar, dated 27th Decem-

I have the honor to request the sanction of
Government for the transfer to the Public Works Department of
the 22 miles of road from Vajitri to Sholadi on the Gudalur-
Catticut imperial line.

In January last the Superintending Engineer IV Circle
requested that the section of 11 miles from Vajitri to Mupenad
should be transferred to the D. P. W., and that the remaining
11 miles from Mupenad to Sholadi should continue to be main-
tained by the Local Fund Engineer. As a matter of mutual
convenience, I requested the D. P. W. to do us the favor of
undertaking the expenditure of the Board's allotment for
the said 11 miles from Mupenad to Sholadi, which the
D. P. W. did not propose to touch during the current
year, and explained that the rate of maintenance
was Rs 147 per mile, and that the Board were prepared
