READ—the following paper :—

From H. M. WINTERBOTHAM, Esq., Collector of Malabar, to the Secretary to Government, Public Works Department (through the Superintending Engineer, IV Circle), dated Calicut, 7th February 1890, No. 465-P.

At the instance of the Executive Engineer in charge of the Vayitiri-Gúdalúr imperial road, I have the honor to submit a draft notification relative to certain land to be acquired under Act X of 1870 for the improvement of the road. It is impossible to describe the land by boundaries, and I hope that the description which I have given may be accepted by Government as sufficient under the circumstances. As a matter of fact all the parties concerned are aware of the impending acquisition, and as a plan of the land is ready for inspection, the information given in the notification answers every purpose. The land is urgently required, so that the most may be made of the remainder of the working season. It is necessary to apply the Act to secure an indefeasible title.
