ACCOUNT.

Civil works

To The Secretary
to the Government of Madras,
Public works Department.

Calcutta the 12 February, 1890.

Sir,

I am directed to invite the attention of the Government of Madras to the Revised estimate of Revenue from Civil works - Provincial, which was submitted with your letter No. 3634 W dated 21st December last. It amounts to Rs 1,00,000, the actual realisations to end of December last, were, approximately, Rs 66,516 and during the last quarter of 1888/89, Rs 20,363 only were realised.

2 This seems to indicate that the estimate is slightly excessive, and I am to ask that it may be reconsidered and advice by telegram sent to the Government of India, whether any alteration is desired.

I have the honour to be,
Sir,

Your most obedient servant.

R. G. L. S. S. S.

The estimate in my office note
No. I, 739 dated 5th. December 1889 was
based on actuals for six months ; but
now having nine months actuals to go
upon, I think the estimate for revenue
under provincial civil works may be
fixed at Rs. 80,000 for the current fi-
nancial year.
