been served with notice of discharge consequent on reduction of establishment -

		<u>567</u>	<u>140</u>

This results in a saving of Rs.707 per mensem or Rs.8,484 per annum.

* Retired on invalid pension.

2. In connection with the transfer of the Presidency and Nilgiri Divisions to the Military Works Branch the question as to who should do the audit work still remains unsettled, but instructions have recently been received from the Accountant General P.W.D. that I should do it at present and even if the audit should not be conducted by me hereafter, the accountants^{now} employed in those divisions will probably have to be transferred to the Military Works Branch. Moreover I have promised the Accountant General to send him, if necessary, an accountant 3rd. Grade which may result in a further reduction of Rs.230 per mensem or Rs.2,760 per annum in addition to the saving that may accrue by the transfer of 2 accountants with the above 2 divisions.

3. The amalgamation of the Dowlaishwaram Workshops with the Godavari Eastern Division from 1st. Jan'y.

P.W. Case 1607

January 1890 and the abolition of the Godavari Central Division from 31st. March 1890 will reduce permanent establishment and proposals will be submitted as soon as the amalgamation is effected and accounts closed. Those in connection with the Dowlaishwaram Workshops are under preparation.

4. In consideration of reductions already effected and with reference to projected transfers, the utmost possible present reduction of the demand for temporary establishment is a reduction of the pay of the Godivada accountant from I30 to I00, but the establishment will not be kept any longer than it is really required.
