To The Secretary to the Government of Madras.
Public Works Department

Calcutta, the 18th November 1889

Sir,

In continuation of Public Works Department No. 2321 G. of 13th August 1889, I am directed to state that, Her Majesty's Secretary of State for India has withheld his final decision on the appeal from Colonel W. M. Vibart, Superintending Engineer, till His Lordship is in receipt of further information as to the reasons which influenced the Government of Madras in his superseding this Officer in the Department. I am accordingly to request that, with the permission of His Excellency the Governor, this Office may be furnished with information on the subject.

I have the honor to be

Sir,

Your most obedient servant—

No. 32189-

Colonel Vibart R.E.
Regarding action taken
on the appeal of, Supr. Engrs.
and request of the Secy of
State for further information.

7th Nov 89
I do not know
enough of Colonel Vibart to write me
well enough to say that his temper is bad and that
his inferiority complex is also
by the way, I have no doubt that this
Letter from the Secy of India No. 32189 of 11.11.89
is correct.

P. W. C. 82.11278/8

6-7/2

There is nothing to be said except
that in the opinion of the Secy of
India Col. Vibart was unfit for the post
of Chief Engineer in respect of temper
administrative capacity, professional
ability, and devotion to work; and
was immeasurably inferior to the
officers who have been preferred to him.
I think we may also add that his
conduct since his supersession &
since his return from leave has been
such as to justify the opinion entertained
of him. He has done little
work & has constantly exhibited an
insubordinate temper. If the Govt
of India would give him the leave
which he seeks so as to obviate
the necessity of his return to duty at
the expiry of the furlough which he
has unobtainable, it would be for
the advantage of the public service.

For orders.

With reference to Mr. Vibart, I do
not know Col. Vibart personally, but
from what Mr. Vibart has left on record,
in the reports of the Secy of India, from
what I have heard from various sources
of his professional attain-
ments, & from what I have seen of
his correspondence during the last
year, I am satisfied that what I
have said is justified.
