Quarters Officers.

No. 1262

Government of Madras.

MILITARY DEPARTMENT,

Art St Corp^{the} 18 July 1890

Read the following papers.

Endorsement from the Revenue
Department, No. 4409, dated 15th July 1889.

Endorsement from the Revenue
Department, No. 4778, dated 30th July 1889.

From the Quarter Master
General, to the Secretary to Government,
Military Department, No. 161, Barrack,
dated, Cochin, 5th February 1890.

In returning reference order
No. 4732, and 5220, dated 18th July and 3rd
August 1889, on the subject of the provision

of Commandants' Quarters in the Fort at
 Vellore, I am desired by the Commander-
 in-Chief to say that, in His Excellency's
 opinion, it would be advisable to construct
 a suitable building containing the accom-
 modation authorised in para. 1173 of the
 Madras Public Works Code, for an officer
 of the rank of Captain, with the addi-
 tion of an upstairs room and an office
 a site which is reported to be available in-
 side the Fort, the
 Military Buildings
 now in temporary
 use with the Civil
 Department, being
 permanently transferred to the Civil Authorities.

Vide Proceedings of Committee
 and plan attached.

Commandants' Quarters (Sub-
 Collector's Office) Main Ground
 (Palug. Cutchery).

The Executive Engineer at the
 Arct Division considers that the Command-
 ants' Quarters, now used as a Sub Collector's

office

5/6/7

Office, are quite unfitted for the residence
 of an officer in Command of two Com-
 panies of Madras Infantry, and the
 result of inquiries in regard to the sugges-
 tion contained in para. 6 of Collector's letter No.
 1957, dated 21st June 1889, to the Secretary
 of the Board of Revenue, viz. that the
 building known as the Gummur Mahal,
 should be converted into Officers' Quarters,
 shows that this is impracticable. The pro-
 posed erection of the Captains Quarters
 would, if sanctioned, obviate the necessity for the
 removal of any of the Civil Offices now
 located in Military Buildings inside
 the Fort, a removal which would
 apparently involve far heavier expenditure
 than that which would be required
 for these quarters, and which would be
 inadvisable to the sites outside the Fort.

proposed in the
letter, numbered

No. 583, dated 18th June 1889, from
Sub-Collector North Arcot, to
Collector North Arcot.

and date as per margin, owing to their
proximity to the works of the Fort.

It is, of course, in some
respects inadvisable to erect more build-
ings in the open spaces now existing in
the Fort, but that now proposed need not
occupy much room, and under
existing circumstances, its erection seems
the most suitable arrangement that can
be made.

His Excellency presumes
that if the above proposal be accepted,
funds for the new Quarters will be pro-
vided from the Provincial Public
Works Budget.

The Old Main Guard build-
ing now occupied by the Taluk

Cutcherry

60/17
Cutcherry is not likely to be required on
the location of two Companies of Madras
Infantry in Vellore Fort.

Order. For the reasons explained
in the foregoing correspondence, the Right
Honorable the Governor in Council ap-
proves the erection of Quarters on the
site selected inside the Fort, for the
officers in Command of the Detach-
ment of Madras Infantry ^{to be} stationed
at Vellore, the Military buildings now in
temporary use with the Civil Depart-
ment being permanently transferred
to the Civil authorities.

(True Extract)

A. Manner Herbert, Brig. Genl.

Secretary to Government.

To The Quarter Master General, with plan.

Revenue Department, with sketch & plan.

I suppose that before deciding the
question whether the building should
be erected at the expense of the
Government it is necessary to have this
made. & therefore I have the draft.
But before this question is decided
it will be necessary to look up the
history of these buildings & the terms
on which they were made over to the
Government.
