CHIEF SECRETARIAT MADRAS

PROCEEDINGS OF THE MADRAS GOVERNMENT.

READ the following paper :—

From the Inspector General of Jails —
Cotacamund, dated 16th January 1890, No. 17,
stating that the District Jail, Kurnool, is in
a dangerous condition and urgently needs repair
and suggesting that other accommodation
for the prisoners be provided meanwhile.

Order 15th February 1890 No. 283

The Government considers that
the existing Jail at Kurnool should be
repaired for the present, and approves
the estimate for Rs 3010, dated 10th November
1888, which forms one of the enclosures to the
Inspector General's letter. The estimate
will now be transferred to the Public Works
Department with a request that orders
may be issued at a very early date.

2. Pending execution of the repairs
the prisoners may be lodged temporarily

DEPARTMENT, MADRAS.

Proceedings, dated 15 February 1890
No. 283

Subject.

Passing orders on letter from the Inspr Genl of Jails reporting upon the dangerous condition of the Dt Jail Burnool.

Ans. 24-2-90 Ex 6 90

P.W.D 6/8/17

Note by the Chief Engineer, General Buildings and Roads Branch. dated 24-ii-90.

The rate for mangalore tiled roofing with teak rafters provided in the estimate is Rs 35 per square. This is considered high as is the rate for Rs 26.12.0 charged for a square of the same description of work in the Bellary Division. The rate should if possible be reduced.

Current No. 1599

Letter No. 283

Dated 15th February 190

From the Judicial Deptt.

To Lt Wittmier

NOTE OF REMARKS.

The accompanying estimate under reference amounting Rs 3010 for repairs for removing & re-roofing the existing sloping roofs of the District Jail Buildings at Thirumoo

The reason given for re-roofing the buildings is that the present roofs are very leaky & the materials are rotten & useless. It is proposed to re-roof the buildings with Mangalore tiles with teak reepers & to provide new rafters & bressummers for such of the buildings as need them.

The rate for Mangalore tile roofing with teak reepers is provided in

Hm. 24-2-90 R 26-1-90

the estimate at Rs 35 per Lgth but no rate for such work can be found in the Schedule of rate for Kurnool Divn.

It is considered that the rate of Rs 35 per Lgth of Mangalore tile roofing with teak reepers for the Kurnool Divn as charged in the estimate is high, because Rs 26-12- per Lgth of the same kind of work has been charged in the case of Bellary Divn.

Report is submitted.

Contingencies & Super-vision are charged at 5 & 2½ % respectively.

The estimate has not been countersigned by the S.E.-III circle, but it has been appended in the Judicial Deptt & forwarded to the P.W. Deptt with request that orders may be issued at a very early date.

G.M.
20-2-90.

As the "repairs" work is ordered to be executed & Rs 575 [illegible] of disposal, and considering the urgent Repairs should be done & the rate of Rs 35 for roofing, which appears high —
