SUPERINTENDING ENGINEER'S OFFICE,

V. Circle, Madras,

Chennai, 8th February 1890.

From

Colonel W. H. Burroughs.

SUPERINTENDING ENGINEER, V CIRCLE,

To

THE *Chief Engineer*

P. W. Department.

Sir,

Enclosures.

With reference to G.O. No 31144 dated 30 December 1889, I have the honor to state that the Executive Engineer South Arcot reports that the voucher No 394 of March 1889 for Rs 133-12-1 was forwarded to the Examiner P.W. accounts with his letter No 220 dated 19 December 1889.

As regards the voucher No 297 of December 1889 for Rs 26-2-1 due from the Presidency Division, the Executive Engineer states that a cheque for Rs 26-2-1 being rent of house occupied by Assistant Apothecary, Wales from 1st to 27 July 1889, was sent with his No 1202 Ind dated 14 December 1889 to the Surgeon 1st District Madras together with the land lords receipted bill for land lord's initials to the corrections made in bill

bill in the Executive Engineer's office.

3. The Surgeon of the District acknowledged receipt of the cheque in his No 5 dated 4 January, 1888 but never returned the land lord's receipted bill. Several reminders have been sent to him for the bill and a fresh voucher was also drawn up and forwarded for signature of land lord, but with no success. In his last reply the District Surgeon states "Apothecary Mr. Wale is at present in military service and so reference must be made to him as to information about the point in question can be found in my office."

4. Reference was also made through the Medical authorities, to apothecary Wale at Loungos who stated in reply that he was unable to obtain a fresh voucher being so far away from Madras. The Executive Engineer is now in communication with the Accountant General Madras for return of cashed cheque to ascertain who obtained payment on the cheque. On obtaining this information further action will be taken by him in regard to obtaining a fresh voucher.

I have the honor to be
Sir
your most obedient servant
