From

Henry Inwin, Esq., C.I.E.,

Consulting Architect

to the Government of Madras,

To

The Chief Engineer

Public Works Department

Sir,

2 Enclosures.

I have the honor to forward for the approval and sanction of Government an estimate amounting to Rs 520 for purchasing 4 pairs of bullocks and two carts for use at the Government Brickfields, the want of which is very much felt for working the pugging mounds &c and I find that it is very expensive to hire bullocks for the work. I propose to charge the cost to the manufacture account so that no special allotment of fund is required.

I have the honor to be

Sir,

Your most obedient servant

Henry Inwin
