CHIEF SECRETARIAT,

Madras, 26<sup>th</sup> February 1890

OFFICE NOTE.

From

THE CHIEF SECRETARY,

To

The Secretary to Government.

Public Works Department.

In returning the accompanying draft sent for Counterinitials, the undersigned has the honor to suggest that the issue of the orders in para 1 be deferred for the present as orders from the Government of India are shortly expected placing the portion of the Archaeological Survey Department working in this Presidency under the direct control of this Government and making a grant for its maintenance. Until all the consequent arrangements are settled perhaps it would be well to defer the issue of any general order in regard to funds for archaeological works.

There is no objection to the proposed para 2 of the draft.
