Pension Department.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

READ the following paper

From the Government of India, Department of Finance and Commerce d/ 25th January 1890 No. 4/4.

I am directed to acknowledge the receipt of your letter, No. 4, dated 11th January 1890, suggesting the desirability of a modification of article 988 of the Civil Service Regulations so as to dispense with all action on the part of an applicant for pension beyond the submission of a simple application for the pension due.

2. In reply I am to say that the rule quoted above has been in existence since the 1st edition of the Civil Pension Code was published, and that it is not understood that any general inconvenience has been found in applying it. The Governor General in Council does not therefore consider it necessary to make any change in it at present, though due consideration will be given to the point raised when a new edition of the Regulations is taken in hand.

Order 24 February 1890 No. 244.

Communicated to the Public Works Department with reference to the endorsement in that Department No. 5260 dated 13th November 1889.
