In continuation of Home Department circular letter, No. 37—2248-55, dated the 29th November 1889, I am directed to explain that the intention of the orders therein contained is not to prohibit the free communication between Local Governments and the adjoining colonial possessions of the Straits Settlements and Ceylon, which has the sanction of long usage; and that the circular in question was rather directed to communications from individual officers than from Local Governments which can be trusted to distinguish between correspondence which may be carried on direct and such as should go through the channel of the Secretary of State. The orders in the circular do not refer to correspondence with Consular or Diplomatic officers; nor do they supersede the orders contained in Financial Department Resolution, No. 3512, of the 16th October 1885, regarding correspondence with the Director-General of Stores at the India Office.
