Establishment.

READ—the following paper:—

G.O., dated 26th February 1890, No. 138, Financial.

Read—the following papers:—

Endorsement of the Public Works Department, dated 27th January 1890, No. 468 C., on letter from the Superintending Engineer, VI Circle.

From the Accountant-General, Madras, dated 7th February 1890, No. 401.

In reply to your endorsement, dated 31st January 1890, on reference from the Joint Secretary to Government, Public Works Department, No. 468 C., dated 27th idem, as to the interpretation to be put upon Article 162 (i) of the Civil Service Regulations, I have the honor to state that I agree with the opinion expressed by the Examiner of Public Works Accounts that the article means that an officer in superior service drawing less than Rs. 100 may have privilege leave irrespective of extra expense to the State, when the leave does not exceed one month, and that when this limit is exceeded, the whole of the leave (including the first month) must be without extra expense to the State.

2. The note to the article, it seems to me, renders impossible any other conclusion.

Order—dated 26th February 1890, No. 138, Financial.

The Accountant-General's opinion will be communicated to the Public Works Department.

2. The Government does not doubt that the view of the case taken in both the offices of account is the right one, but a copy of these Proceedings will be forwarded to the Government of India, Department of Finance and Commerce, for information.
