OFFICE NOTE No. 979.

To

W.

With reference to para I of my office note No.45 dated 15th. January 1889 printed with G.O.No.470 W.dated 16th. February 1889, I beg now to submit, for the approval of Government, a form for reporting irregularities in respect of estimates and appropriations, quarterly to Government, which I propose to substitute for the existing monthly form of provincial objectionable items statement as the stock of the latter is now exhausted and it is necessary to print a fresh supply.

2. Practically the change consists in doing away with separate columns for the two main classes of irregularities (those relating to estimates and those relating to appropriations) which are now reported in separate statements.
