Mr. H. W. BLISS.

Read—the following letter from E. J. SEWELL, Esq., Acting Collector of Cuddapah, to the Secretary to the Commissioners of Land Revenue, dated Cuddapah, 10th November 1889, No. 8464 :—

A plan and an estimate, amounting to Rs. 25,400, for the construction of the combined office for the Tahsildar and the Sub-Magistrate of Cuddapah, are herewith submitted. I have the honor to request you to be good enough to transmit this to Government for sanction.

2. The offices are at present held one in a rented building and the other in a house very inconveniently small and in very bad repair.

ENCLOSURES.—Plans and estimates.

Resolution—dated 8th January 1890, No. 8.

The plans and estimates for constructing a combined office for the Tahsildar and Deputy Tahsildar of Cuddapah, at an aggregate cost of Rs. 25,400, are submitted for the sanction of Government with reference to G.O., dated 24th January 1888, No. 528.

2. The Board presumes that a sub-jail is not required. It fears that the court-room provided for the Town Magistrate will be found most inconveniently small.

Secretary.

Order—dated 20th February 1890, No. 1243, Revenue.

Approved and transferred to the Public Works Department.

2. With reference to the Board's remark regarding the smallness of the Town Sub-Magistrate's court-room, it is observed that the size of the Deputy Tahsildar's

court in the standard plan for a Deputy Tahsildar's office is 20' x 15' (*vide* G.O., dated 15th June 1887, No. 1602 W.); ordinarily this should suffice; the Government is not aware of any special circumstances necessitating greater space for the Cuddapah Town Magistrate. It could easily be arranged that, whenever he has a heavy case to try, he should occupy the Tahsildar's court which will not be in daily use.

ORDER—dated 6th March 1890, No. 715 W., Public Works.
