READ—the following paper :—

From R. SUBRAMANIAM AIYAR, Registrar of Tinnevely, to the Inspector-General of Registration, dated Tinnevely, 30th January 1890, No. 411.

In submitting, herewith, for orders, letter, No. 293, of the 10th ultimo, from the Sub-Registrar of Sivagiri, I have the honor to state that the Sub-Registrar represents that the owner of the office building wants him to vacate it at an early date, and that no other building is available at the station for rent, and requests that a building may be erected by Government for his office.

2. The office was opened in April 1886 under G.O., No. 3113, dated 17th November 1885, and has maintained its position during the three years of its existence, the registrations and collections being as follows:—

	Registrations.	Collections.		
		RS.	A.	P.
1886-87	1,716	1,794	10	0
1887-88	1,858	1,937	14	0
1888-89	2,025	2,127	12	0

It therefore appears to me that the continued progress and stability of the office may be depended upon.

3. I beg, therefore, that Government may be moved to sanction the construction at Sivagiri of a building on the standard plan for the Sub-Registrar.

T. No. 237.

Submitted to Government with the recommendation that sanction may be accorded for preparing estimates for the construction of an office on the existing standard design.
