DOWLAISHWARAM, 12th February 1890

SIR,

With reference to G.O. no 32402 of 16th November 1889, I have the honor to inform you that the Executive Engineer Gungam Division reports the delay in the submission of the accounts for September to be due to the causes explained to the Examiner in his letter no 196 P of 13th September 1889, viz, the absence of an accountant in the office from 22nd July to 27th August 1889 and to the extra pressure of work caused by the famine.

2. He points out also that his accounts for September were despatched on the 19th October and should not therefore have been more than one day late.

I have the honor to be

Sir

Your most obedient servant
