Account.

READ—the following papers :—

From the Quartermaster-General, Madras Army, to the Secretary to Government, Military Department, dated Ootacamund, 17th February 1890, No. 650-A.

Adverting to G.O., Public Works Department, No. 185 W. of 21st ultimo, communicated to this office with Military Department No. 716 of the 29th idem, I am desired by the Commander-in-Chief to forward, for the information of Government, the accompanying copy of a letter * from the Superintendent Engineer, III Circle, to the District Staff Officer, Belgaum District, and to express the hope that it might be found possible to provide by reappropriation, during the current financial year, the estimated amount required for re-roofing the Regimental stores of the Madras Cavalry Regiment at Bellary, necessary funds not being available from the grant for minor new works placed at the disposal of General Officers Commanding Districts.

* No. 3378, dated 8th February 1890.

2. The building in question at the end of last year was found to be in such a dangerous condition that it was considered desirable to remove the Regimental stores, as a temporary measure, to the Infantry place-of-arms, but as the latter building will be required by the 15th Madras Infantry on its arrival from Burma in March next, the Commander-in-Chief hopes it may be found possible to re-roof the store-room of the Madras Cavalry Regiment before the arrival of the regiment in India.

ENCLOSURE.

From Colonel H. SMALLEY, R.E., Superintendent Engineer, III Circle, to the District Staff Officer, Belgaum, dated Bellary, 8th February 1890, No. 3378.

The Officer Commanding Bellary requests that immediate steps may be taken to have the Cavalry stores made ready for re-occupation in March 1890.

2. An estimate has been sanctioned for Rs. 1,202. This is a minor new work, but funds do not appear to be available with the Officer Commanding. I therefore request you will obtain sanction of Government to carry out the work on emergency in anticipation of provision of funds.

Endorsement in the Military Department, dated 21st February 1890, No. 1306.

From the Quartermaster-General, Madras Army, to the Secretary to Government, Military Department, dated Ootacamund, 1st March 1890, No. 837-A.

In returning, as requested, the correspondence referred to this office under Military Department endorsement No. 1483 of the 27th ultimo, I am desired by the Commander-in-Chief to say, that there would apparently be no objection to the amount required for re-roofing the Regimental stores of the Madras Cavalry Regiment at Bellary being met from the grant surrendered by the Superintendent Engineer, IV Circle, a portion of which His Excellency has already recommended should be devoted to the works enumerated in this office letter No. 752-A., dated the 24th ultimo.

Endorsement in the Military Department, dated 4th March 1890, No. 1610.

ORDER—dated 11th March 1890, No. 792 W., Public Works.

A sum of Rs. 1,139, being the available balance of the reserve with the Government under Imperial, Military, Minor Original Works, is allotted for re-roofing the Regimental stores of the Native Cavalry Regiment at Bellary.

2. The following deferred telegram will be sent to the Superintending Engineer, III Circle:—
