Executive Engineer's Office,
WEST COAST DIVISION,
CALICUT 6th Nov. 1889.

No. 569.

FROM
Col. A. T. Fraser R.E. 8/1
EXECUTIVE ENGINEER,
WEST COAST DIVISION.

TO
The Superintending Engineer,
4th Circle.

SIR,

I have the honor with reference to your No. $\frac{556}{W.E}$ of 2d Instant and Government order No. 3070 W. dated 31st October 1889, to bring to notice, as already, the silence of the P.W. Code as to what is to be done in the case of their families' passage on the decease of a European non commissioned Officer or soldier in Departmental employ, though para 620 defines that on grant of sick leave, the cost of the families' transit by rail to the port of embarkation will be paid by the Department.

2. The correspondence also shows that this information was not procurable within the Department.

3. The Extract (paras 638. 639 Army Regulations Vol. X Part II) does not appear to decide the question as a Departmental case, because from the use of the word "Station", a military Station is evidently meant, & not any chance, & remote town or village, where a Subordinate might happen to be serving in the P.W. Department at the time of decease, involving an expensive journey to the nearest Station at which the widow & family could be supposed in a position to declare an option at a Staff Office.

4. It is probable that some analogous instance has been decided elsewhere which might be ascertained by the Examiner, otherwise desirable that a ruling might be obtained providing for conveyance of families to the nearest military Head Quarters Station, as in para 620 of the Code for sick leave, where the provisions of the Army Regulations could fairly be applied.

I have the honor to be
Sir
Your most Obdt Servt

Note with reference to the Hon. Member's remark on the draft order —

The amount disbursed by Col. Fraser for Mrs Green's travelling expenses was disallowed by the Examiner, and the disallowance was confirmed by P. W. 3070 W of 31-10-89.

It is left to Col. Fraser to bear the expense himself or to come up with respect to recovering the amount from Mrs Green.

The payment made in this case has to be recovered from the widow? Any orders on this point? She gets a subsistence allowance from W. it may be stopped. ELS

Note. It is submitted that no object would be gained by referring this matter to the Mily. Depts.

If an exception is to be drawn up in favour of mily subordinates of the P.W.D. (which is what Col. Fraser suggests) the matter must be submitted to the Govt. of India in the Depts. It is not likely however that any such exception will be sanctioned & the concession is granted to the families of civil subordinates in similar circumstances & the families of deceased military men are entitled to free passage to England. If they forego this privilege, they are granted free passage to the Station in India at which they wish to settle down. It is not likely that any further privilege will be granted.

ELS 20 Dec

The Government considers that the provisions of paras 638 and 639 India Army Regulations Vol X Part II are clear, and that no exception can be made in favour of the families of deceased military subordinates of the P. W. Deptt.

2. A Standing order should be inserted in the P.W. Code drawing attention to the ruling in the paras of Army Regulations above quoted.
