In forwarding, for your information, the enclosed copies of correspondence, I have the honor to request that you will be good enough to obtain the sanction of Government, under para. 1033 of the Public Works Code, for the disposal, in public auction (with the exception of the site), of the 10 Police huts condemned at Wellington. The

capital cost of the block consisting of the above huts is Rs. 1,556, that of the other of the remaining 6 huts being Rs. 934—*vide* the marginally-noted extract from the statement printed in G.O., No. 1500 W., dated 6th June last.

ENCLOSURES.

From Colonel H. W. BLAIR, Superintendent of Police, Coimbatore, to the Executive Engineer, Nilgiris, dated Coimbatore, 2nd October 1889, No. 641.

I have the honor to inform you that the Assistant Superintendent of Police, Nilgiris, has brought to my notice that the old set of huts (10 in number) at Wellington are in an unsafe condition, and to request that you will be so good as to have them examined and a report submitted on their state at your earliest convenience.

No. 2929.

To No. II Sub-divisional officer to examine and report upon state of huts as soon as possible.

25th November 1889.

(Signed) ROSS THOMPSON, Col., R.E.,
Executive Engineer.

From J. MAHONY, Esq., Sub-Engineer, in charge No. II Sub-division, to the Executive Engineer, Nilgiri Division, dated 31st December 1889, No. 1600.

[Reference.—His No. 2929, dated 25th November 1889.]

I have the honor to state, in reference to the above, after personal inspection, that the line of 10 old Police huts at Wellington are in a very unsafe condition and would recommend them being razed to the ground and new huts built instead. The roof timbers are in fair order, but if new buildings are to be erected, I would not recommend the use of the old timber, for it will only necessitate repairs before long.

2. Anyhow, for the present I would beg that you will impress on the Superintendent of Police that it is absolutely unsafe for the buildings to be occupied.

No. 3381.

Forwarded to the Superintendent of Police, Coimbatore, with reference to his No. 641, of 2nd October 1889.

With reference to your endorsement No. 3381, dated 3rd instant, on letter from your Sub-Engineer, No. 1600, dated 31st December last, regarding the huts at Wellington, I have the honor to state that I have directed them to be vacated at once, having been reported as unsafe; and to request that you will have them pulled down and estimates submitted for the erection of 8 new huts, 10 not being required now. The 6 new huts to be built so that they can be added to, should occasion rise for it hereafter.

2. The materials of the old huts might be sold and the amount of same credited to Government.
