PUBLIC WORKS DEPARTMENT.

Military Works.

READ—the following paper :—

From Brigadier-General E. FAUNCE, c.B., Commanding, Southern District, to the Quartermaster-General, Madras Army, dated Wellington, 5th March 1890, No. 493-G.B.D.

I have the honor to request that, if possible, the sum of Rs. 395 may be *now* allotted to me for the execution of urgent works for which the Executive Engineer informs me he has no funds available.

2. These works require to be completed before the arrival of the convalescents at Wellington; they comprise—

(a) Removal of arm-racks from No. 2 married quarters to No. 3 married quarters, it having been found objectionable to locate single men in the middle of the family quarters, as was the case when No. 2 block was occupied by single men. The cost of this work amounts to Rs. 30.

(b) Removal of temporary kitchen from rear of No. 2 to rear of No. 3 block married quarters—Rs. 70.

(c) Erecting a palisading in rear of the gardens of Nos. 1 and 2 married quarters' blocks, along the edge of the bank where a road will be made for the use of the single men, which will obviate the necessity of their passing in front of the married quarters. The railing is absolutely necessary and with the road will cost Rs. 295.

3. The balance of the current year's allotment in my hands amounts to Rs. 3-5-0.

No. 939-A.

Forwarded with the recommendation of the Commander-in-Chief that, in view of the urgency and importance of the works herein referred to, Government may be pleased to sanction that a sum of Rs. 395 be placed at the disposal of the General Officer Commanding, Southern District, for their execution before the completion of the current financial year, from the amount surrendered by the Superintending Engineer, V Circle, and regarding the utilization of which His Excellency was unable to offer any suggestions—*vide* this office letter No. 905-A., of the 5th instant.
