~ 71 W of 11-1.90.

With reference  
to the Pros. marginally  
noted. H.B. the Govt  
in Council directs  
that civil works in  
the Nilgiri division  
shall remain in  
charge of the Executive  
Engineer as a separate  
division until the  
accounts to the  
end of the financial  
year 1889-90 have  
been rendered  
to the Examiner.  
The distribution of  
such works between  
the Comptroller &

West Coast division,  
& the closure of the  
division, as already  
ordered, will then  
be carried out  
until the final  
closure of the division.  
The divisional office  
establishment may  
be retained.

Note

As it will cause  
great inconvenience,  
& probably confusion,  
if the accounts of  
Civil works at Okeas  
and Wynyard  
were split up &  
handed over to the  
Comptroller of West  
Coast division so  
near the close of the  
financial year, it  
is recommended that  
the Milner division  
be retained on its  
present footing  
until the accounts  
to 31 March have  
been submitted to  
the Examiner. This  
will be about  
2 1/2 a fine.

It is understood  
that military works  
at Wellington have  
been taken over by  
the Milly. Works Dept.

Draftsman  
submitted for ap-  
proval.

I don't see any reason why the  
March accounts of the two subdivi-  
sions cannot be rendered through  
the Comptroller & Co. Court division.  
At most circumstances may  
demand the attention of the divi-  
sional accountant but I don't  
see how even that is necessary.  
The object of the proposal seems  
to be to obtain the Executive Engineer's

To The Chief Engineer

Sir,

The Executive Engineer Nilgiri  
Division has reported in his N<sup>o</sup> 4283  
dated 11<sup>th</sup> Instant, that he has handed  
over charge of the works at Wellington  
to the Military Branch, <sup>on 7<sup>th</sup> inst</sup> and I have  
the honor to request that you will let  
me know <sup>if</sup> the Nilgiri Division should  
at once be joined into a sub-division  
of the Coimbatore Division.

2. In my opinion it would be  
better; as it is so near the end of the  
official year; if the Nilgiri Division  
were

were

were allowed to continue as at present  
till 1<sup>st</sup> April.

3. I think delay in carrying  
out works and confusion in accounts  
would thereby be avoided.
