With reference to his letter, No. 503 dated the 6th. March/90, surrendering on allotment of Rs. 3000, on the District Munsiff's Court house Ellore, has the honor to draw his attention to G. O. No. 2812 W— dated the 8th. October 89, communicated to him with this Office No. 431 Gb of the 26th. idem, from which it will be observed that no surrenders should be given after the 1st. March. Government do not generally accept surrenders at the close of the official year as the amounts surrendered cannot be utilized in any other Division. It is not satisfactory that so large a sum as Rs. 3000 should be relinquished at the close of the official year.

Chief Engineer will, however, be wired to accept
surrender.
