GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

Buildings and Roads.
Civil Works.

READ—the following paper:—

From C. F. MACCARTIE, Esq., Chairman, Ootacamund Municipal Council, to the Chief Secretary to Government, Local and Municipal Department (through the Collector of Nilgiris), dated Ootacamund, 14th March 1890, No. 191.

Adverting to para. 2 of G.O., No. 507 W., dated 15th February 1890, I have the honor to request that Government will be pleased to reconsider its decision, that the buildings, tools and plant situated on the piece of land recently transferred to the Municipal Council at the outfall of the Ootacamund lake shall be disposed of in the manner suggested in the endorsement of the Executive Engineer, Nilgiris, No. 3141, dated 13th December 1889.

2. The Council is anxious to secure the corrugated iron sheds for the purpose of thoroughly repairing the building known as "Mill House," which is at present in a very dilapidated state; sheds have also to be run up in order to protect the stone-crushing machinery and workmen from the heavy weather prevalent for so many months of the year in Ootacamund.

3. The Council confidently hoped that the Government in approving their scheme would approve also the transfer of these buildings and plant together with the land; hence in framing the estimate for the purchase and erection of the machinery no provision was made for this very important detail. I trust, therefore, that Government will be pleased to sanction the transfer of all buildings and plant as requested in this office letter, No. 1061, dated 6th November 1889, para. I, especially as all the materials will be devoted to improving the property, and in the event of its reverting to Government every thing now applied for will revert also. The Council is the more induced to hope that this application will receive favorable consideration from the fact that the recent action of Government in further curtailing their Provincial grant has disabled the executive from meeting the additional expenditure from current revenue.

G.O., 9th April 1890, No. 1063 W.

APRIL.

Buildings on the site of the Lake Brickfields at Ootacamund

Directing the transfer of the — to the Municipal Council on certain conditions.

B 1063/90

1063/90

To be

The papers relating to the transfer of the site of the Ootacamund Brickfields & the buildings thereon, to the Municipal Council have been obtained from Nilgiris & submitted.

In his remarks on Current No 2973, the Hon. stated that he had no objection to letting the sheds stand & allowing the municipality to use them. Apparently therefore the Hon. distinctly intended that the municipality were to have nothing more than the use of the bare sheds with the land. & the G.O. was framed accordingly.

Ootacamund Municipal Office.

14th March 1890.

From

C. F. MacCarthie Esq.re

Chairman,
Ootacamund Municipal Council.

To

The Chief Secretary to Government
Local and Municipal
Fort St. George
Madras.

Sir,

through the Collector
Nilgiris

Adverting to para 2 of G.O
N° 507 M. dated 15th February 1890, I have
the honor to request that Government
will be pleased to reconsider its decision
that the buildings & plant situated
on the piece of land recently transferred
to the Municipal Council at the outfall
of the Ootacamund Lake shall be
disposed of in the manner suggested
in the endorsement of the Executive Engineer
Nilgiris N° 3141 dated 13th December 1889

2. The Council is anxious to secure
the corrugated iron sheds for the purpose
of thoroughly repairing the building known

30½ Lbs
