From the Inspector-General of Registration, Madras, dated 11th March 1918.

Jck 878.

In G.O dated 3rd July 1889 No. 1753 (Communicated in the Order of the 9th idem, Jck 754, Judicial Department, Sanction has been accorded for the provision of additional accommodation in the Taluk Cutcherry at Perambalur for the Sub-Registrar's office. The Collector of Trichinopoly in his letter dated 27th February 1918 No. 193/18 (Copy enclosed) informs me that the two rooms in which the Sub-Registrar now holds his office are required for the use of the Taluk establishment and that a separate building should be provided for the Sub-Registrar. The Registrar of Trichinopoly also considers it desirable that a separate building should be built for the Sub-Registrar as his office is rising in importance and the accommodation provided in the Taluk Cutcherry is likely to be insufficient in a few years time even after the contemplated improvements are carried out. In these circumstances I have the honour to request that Government will be pleased to sanction the construction of a separate building for the Sub-Registrar on the Standard plan.
