15TH MARCH 1890, No. 218, FINANCIAL.

GOVERNMENT OF MADRAS.
FINANCIAL DEPARTMENT.

READ—the following paper :—

Resolution of the Government of India, Finance and Commerce Department
(Accounts, &c.—Stores), dated Calcutta, the 28th February 1890, No. 1005.

Read—

Circular to all Local Governments and Administrations, No. 2969, dated the 14th June 1889, asking for particulars of the cost of rubber stamps in the previous three years, and the answers thereto.

Resolution—

The object of the inquiry made in the circular letter of the 14th June 1889 was to ascertain whether the total cost of the rubber stamps now purchased by public offices in the market was so material that it would be expedient to entrust the Stationery Offices with the duty of procuring all stamps required for the public service. Such concentration would, if the demand was large, probably result in the articles required being obtained at a favorable price and of improved quality.

2. It appears from the answers received to the circular letter that the expenditure incurred in the purchase of rubber stamps and inks has averaged more than Rs. 25,000 a year during the last three years. This being the case, it is desirable that these articles should be obtained in future from the Stationery Offices in the same way as other articles of stationery, and the Governor-General in Council requests that instructions may be given to all heads of departments to indent for their requirements in future on the Stationery Department, commencing with the 1st April 1890.

3. The Stationery Offices will invite tenders for the supply of the articles on contract in the same way as for paper or other articles. When indents are to be complied with, the contractor should be instructed to send the articles direct to the indenting officer and obtain his acknowledgment which should bear an impression of the stamp supplied, and will form the voucher for the contractor's bill and be transmitted with it to the Superintendent of Stationery for adjustment.

Order—

ORDERED, that the foregoing Resolution be communicated to the Departments of the Government of India; to the Local Governments and Administrations; to the Comptroller and Auditor General; to the Comptroller of India Treasuries; to all Accountants-General and Comptrollers; to the Heads of Departments under the Finance and Commerce Department; and to the Superintendent of Stationery, Calcutta.

(True Extract.)
