24TH FEBRUARY 1890, No. 125, FINANCIAL.

GOVERNMENT OF MADRAS.
FINANCIAL DEPARTMENT.

READ—the following paper :—

Statement of expenditure incurred on account of the move of Government offices to the Hills in 1889.

ORDER—dated 24th February 1890, No. 125, Financial.

The statement will be forwarded to the Home Government.

2. It is observed that the total charges incurred by the Public Works Department (Rs. 7,415) exceed the amount spent in 1888 (Rs. 7,047), and in view of the shorter period spent on the Hills in 1889, this result is unsatisfactory.

3. The expenditure incurred in the Revenue and Public Works Departments on account of "Service postage," and that in the Public Works Department on "Service telegrams," is excessive, and the attention of these departments is drawn to paragraph 3 of G.O., No. 136, Financial, dated 10th February 1888.

4. The "Hill allowance" charges in the Chief and Military Secretariats are high in comparison with the amounts under this head in the other Secretariat offices, and in view of the fact that the latter department, under G.O., No. 320, dated 11th March 1887, takes up to the Hills only 1 Assistant and 5 clerks, against 1 Assistant and 11 clerks in the Chief and Revenue Secretariats and 1 Assistant and 7 clerks in the Public Works Secretariat.

Office Note.

To R.

Please see the enclosed copy of G.O. No. 125 dated 24th Feb'y 1890, Financial, in which the Government comments unfavorably on the cost of service telegrams in the P.W.D.

Of the sum of Rupees 368:11:0, £ 143:9:0 were expended in the General Branch, £ 9:15:0

in the Irrigation Branch
and Rs 215.3.0 in the
Railway Branch.

3. As it is possible
that the instructions
in para 3 of G.O. No. 136
dated 10th February 1888,
Financial, have been
overlooked, please
let me know whether
the sum of Rs 215.3.0
above mentioned
represents the cost
of telegrams only
between your own
offices at Madras
and Ootacamund or
whether other messages
between the two
stations

& G.O. No. 678W of

stations have been
included.

A. 12.3.90

The sum of Rs 215-3-0
referred to in para 3 of your note above
represents the cost of all telegrams
between Madras & Ootacamund including
messages other than those between the
offices of the P. & S. at these stations. The
amount also includes all telegrams sent
from Ootacamund to the Agent & S. I. R. at
Trichinopoly & it was considered expedient
to debit this extra charges to the more of the Govt.
to the Hills because telegrams from Madras
to that official are sent free of charge by
the Railway Company. The cost of
such telegrams, as also of telegrams to the
Agent & Manager Madras Rly amounts to Rs.
92-8-0. This sum deducted from Rs 215-3-0
will give Rs 122-11-0 which may be
accepted as the expenditure under the
order quoted by you.

No. 1090 W of 11-4-90

1890
Note by the Acting
Joint Secretary to Govt.
P.W. Dept., General Branch.

With reference to
G.O. dated 24th February
1890, No. 125 Financial,
the undersigned has
the honor to submit the
following remarks.

2. The charges incurred
by the P.W. S. in 1889
in excess of the amount
spent in 1888 fall
entirely under the
heads travelling
allowance and clothing
expenditure on which is
not affected by the
duration of the stay

on the Hills. The
excess expenditure was
due partly to a
clerk and an attendant
having been sent
back to Madras —
from Ootacamund
during the season
on account of sickness,
and other men having
been sent up to
replace them. A
fresh set of warm
clothing had to be
provided for the
second attendant.

3. The reasons for the
relatively large expen-
diture in the P.W.D.
on Service Postage were

6/1090
explained in G.O. No.

678W d/27th Feb. 1888.

4. With regard to the
charges under "Service
Telegrams" it will be
seen from the accom-
panying copy of a
note from the Railway
Branch that the —

instructions in para 1

3 of G.O. dated 3rd Feb.

1888, No. 136 Financial,

were overlooked in

calculating the

expenditure incurred

in that Branch, and

that a sum of Rs 92:8:0

should therefore be

deducted from the

total of Rs 368:11:0.

The expenditure under
this head in the P.W.
Secretariat would then
be distributed as
follows:—

General Branch ...	Rs 143: 9: 0
Gravitation	9: 15: 0
Railway	122: 11: 0
<u>Total Rs</u>	<u>276: 3: 0</u>

5. This total is still
high as compared with
other departments of
the Secretariat, but
the expenditure is
influenced by much
the same causes as
those mentioned in
para 3 of G.O. No 678 W
dated 27th July 1888.

7/1090

The Secretary and
Joint Secretaries in the
P.W.D. have separate
administrative functions
as Chief & Consulting
Engineers, and frequent
telegraphic commu-
nication between them
and their Deputies (who
remain at Madras)
on establishment and
other matters, is absolutely
necessary.
