By order,

G. H. D. WALKER,

Under Secy. to the Govt. of India.

No. 11 / 679—88, dated 18th March 1890.

From—C. J. LYALL, Esq., C. I. E., Offg. Secretary to the Government of India, Home Dept.,

To—The Secretary to the Government of India, P. W Dept.

I am directed to say that the Governor General in Council has had under consideration the attitude which should be maintained by officers in the service of Government towards political or quasi-political movements with which they may be brought in contact. Servants of Government have not the same liberty of action as private individuals, and are bound to hold themselves aloof from many movements which are perfectly legitimate in themselves and which private persons are free to promote. Their participation in such movements is open to objection, because their connection with them is likely to create, and even to be appealed to for the purpose of creating, a false impression in the minds of ignorant persons that such movements have the countenance of Government, and because their influence with the community at large is liable to be impaired by their identifying themselves with the class by which the movement is promoted.

2. For these reasons His Excellency in Council desires that the following rules may be observed by all Government servants:—

(*a*) As a general rule no officer of Government should attend at a political meeting where the fact of his presence is likely to be misconstrued or to impair his usefulness as an official.

(*b*) No officer of Government may take part in the proceedings of a political meeting, or in organizing or promoting a political meeting or agitation.

(*c*) If in any case an officer is in doubt whether any action which he proposes to take would contravene the terms of this order, the matter should be referred to the Head of the Department or District, and if necessary to the Local Government or Administration.

Home Department endorsement.
