GOVERNMENT OF MADRAS.

LOCAL AND MUNICIPAL DEPARTMENT.

READ—the following papers:—

From W. G. UNDERWOOD, Esq., President, District Board, Anantapur, to the Chief Secretary to Government, dated Anantapur, 7th January 1890, No. 63.

I have the honor to submit herewith the consolidated budget of the Anantapur District Board for the year 1890-91, together with all the statements prescribed in G.O., dated 26th June 1886, No. 721 L.F., Financial. A copy of the Resolution of the District Board in which the budget was approved, is herewith forwarded.

REVISED ESTIMATES.

2. The balance outstanding at the close of the year 1888-89 was Rs. 26,068. The assets of the current year as per revised estimate are estimated to amount to Rs. 1,25,012. The total amount thus available for appropriation is Rs. 1,51,080, against the budget estimate of Rs. 1,38,250. The increase is mainly due to a large opening balance, which is accounted for by a net increase of about Rs. 6,000 in the actuals of 1888-89, as compared with the revised estimate for that year, coupled with a decrease in the expenditure of a similar amount. The total probable expenditure during the current year, according to the revised estimate, is Rs. 1,25,580. This will leave a closing balance of Rs. 25,500, against the budget estimate of Rs. 7,210, of which Rs. 6,030 appertains to Market endowment and Rs. 1,200 to Unions. The variations between the figures of the sanctioned budget and those of the revised estimate are explained in the remarks column of the revised estimate.

BUDGET ESTIMATE, 1890-91.

3. *Receipts.*—The opening balance is estimated at Rs. 25,500 as shown above.

4. *Land Cess, Rs.* 79,900.—The receipts under this head show a decrease of Rs. 2,900, as compared with the budget estimate of the current year, and is due to the smaller amount of arrears which it is anticipated will be outstanding at the close of the current year.

5. *Tolls.*—The receipts under this head are estimated at Rs. 7,000, against the budget estimate of Rs. 7,450 for the current year and the revised estimate of Rs. 7,670, which is made up of Rs. 6,340, being the actual amount for which the tolls have been leased for the current year, and Rs. 1,330, being the amount of the deposits made by toll contractors for 1888-89, which, by a mistake, was not adjusted in that year and has been brought to credit in the current year. The tolls were sold in 1888-89 for Rs. 7,657, while for the current year they only realized Rs. 6,340, owing, it is believed, to the leases being sold at Taluk head-quarters, instead of at the District Board's office. It is proposed to put up the leases for the next year at the District head-quarters, and it is hoped that they would realize the amount (Rs. 7,000) budgeted for.

6. *Toll Contribution from the Anantapur Municipality, Rs.* 1,050.—The increase of Rs. 180 is estimated with reference to the amount realized in the current year.

7. *House-tax.*—Rs. 9,400 have been estimated under this head, against an estimate of Rs. 7,770, the increase being ascribable to the construction of new buildings in Penukonda, and to the alteration in the classification of houses carried out in the two Unions under the Hindupur Taluk Board.

8. *School Fees.*—The estimate under this head is Rs. 1,985, against Rs. 1,690 in the current year's budget. The opening of eleven (11) additional schools on the salary-results system accounts for the increase.

9. *Contribution from Private Individuals.*—Rs. 100 shown under this head is the contribution promised by the residents of Chowloor in aid of the school proposed to be started at that place.

10. *Contribution for purposes other than Education, Medical or Works.*—Rs. 600 represent the amount of contribution promised from the Jubilee fund at Tadpatri towards the construction of a chattram there, for which a provision of Rs. 1,300 is made in the present budget under Grant I.

11. *Market Rents, Rs.* 4,870.—The increase of Rs. 400 over the estimate in the current year's budget is due to the extension of the fee system to other markets under the Hindupur and Penukonda Taluk Boards, as directed in paragraph 3 (4) of G.O., dated 12th October 1889, No. 2354 L.

12. *Bungalow Fees, Rs.* 640.—The closure of the bungalows at Pairur, Ghollah, Pathakothacheruvoo, Gadakal and Karúr, accounts for the decrease of Rs. 30 under this head.

13. *Fees, Fines, Rs.* 355.—The increase of Rs. 95 under this head is due to the collection of pandal fees by the Hindupur Taluk Board in addition to fines in nuisance cases.

14. *Fishery Rents, Rs.* 2,050.—The increase of Rs. 780 is owing to many of the tanks in the district having received a full supply during the current year. They will not get dry until the beginning of next year.

15. *Sundry Receipts, Rs.* 1,262.—The increase under this head is based on the actuals of the previous years.

16. *Provincial Grant, Rs.* 1,150.—The increase of Rs. 90 over the estimate of the current year is to be attributed to the increased Provincial contribution on account of salaries of masters of the normal school consequent on raising their salaries.

17. The other items of receipt are almost identical with the figures of the current year's budget, and call for no remark.

18. *Expenditure—Grant I, Public Works.*—The total expenditure proposed under this head is Rs. 61,450, against Rs. 56,000 sanctioned for the current year as detailed below:—

19. *Grant I, New Works—Communications.*—An amount of Rs. 200 has been entered by the Hindupur Union for the repair of the town roads. The roads may, as a matter of fact, have to be made; but this item more properly comes under repairs.

20. *New Works—Civil Buildings.*—The following is the distribution of the sum of Rs. 2,950 provided under this head:—(1) Rs. 1,000 for the construction of a school building at Hindupur; (2) Rs. 1,300 for the construction of a chattram at Tadpatri; (3) Rs. 300 for servants' quarters to the District Board Engineer's bungalow at Anantapur; (4) Rs. 350 for improving the hospital building at Penukonda.

21. *New Works, Rs.* 2,500.—This sum is provided for effecting improvements to the existing markets under the control of the Gooty, Penukonda and Hindupur Taluk Boards.

22. *Repairs—Communications.*—Rs. 42,490 are provided for the maintenance of communications, against Rs. 40,310 in the current year's budget. Rs. 1,240 are allotted for works to be carried out by Union Panchayats. The remainder exhibits a net increase of Rs. 940 over the corresponding estimate, viz., Rs. 40,310, of the current year, and is accounted for thus: (*a*) a decrease of Rs. 1,235 owing to (1) the curtailments of the maintenance grants for roads No. 3 (Gooty, Rs. 300), 7 (Penukonda, Rs. 335), and 4 (Hindupur, Rs. 160); and (2) the saving of Rs. 440, which was

provided in the current year's budget on account of the Chigoeherla-Dharmavaram Road, which, in view of its present comparatively good condition, and of the fact that the road is only an auxiliary to the main, though a trifle longer road, to Dharmavaram from Anantapur *viâ* Marur, it is proposed not to take up next year; (*b*) an increase of Rs. 2,175 is due to (1) increase in the maintenance grants of four roads (Gooty No. 1, Rs. 5, Penukonda No. 3, Rs. 130, Hindupur No. 3, Rs. 470, and Anantapur, No. 2, Rs. 660), and (2) a sum of Rs. 910 to be spent on road No. 8 in Penukonda taluk not taken up this year.

23. *Repairs—Civil Buildings.*—Rs. 1,500 are provided for the repair of civil buildings, such as hospitals, school-houses and travellers' bungalows.

24. *Miscellaneous Public Improvements.*—The provision of Rs. 1,200 is for the maintenance of existing avenues, against Rs. 1,175 sanctioned for the current year.

25. *Local Fund Engineer's Establishment.*—Rs. 9,540, equal to 19·31 per cent. of the proposed outlay (Rs. 49,400 excluding Union charges) on works, have been provided for the engineering establishment, against Rs. 9,180 of the current year. The increase is due to a revision of the staff of overseers and of their salaries and batta. A copy of the District Board's resolution, No. 22, dated 12th December 1889, is herein enclosed. A regular proposition statement will be separately submitted.

26. The other items under Grant I are about the same as those of the current year, and call for no remarks.

27. *Grant II, Education.*—The total budget estimate under this head for the next year is Rs. 15,950, against Rs. 15,580 provided for the current year. The following are the details:—

28. *Inspection.*—Rs. 1,510 are provided, against Rs. 1,230 in the current year. The increase is due to raising of the salaries of the inspecting schoolmasters as per resolution of the District Board, No. 14, dated 12th December 1889, copy of which is herein enclosed. Proposition statement will be separately submitted.

29. *Secondary Schools—Salaries of Masters.*—Rs. 940, or Rs. 100 over the estimate of the current year, represents the provision under this head, the increase being due to the proposed employment of an additional teacher for the Middle School at Penukonda for a feeder class to be opened in order to improve its present unsatisfactory condition.

30. *Elementary Schools.*—Rs. 7,465 are provided, against the budget estimate of Rs. 5,590. The increase is accounted for by the proposal to open 11 new schools on the salary system in addition to the existing number.

31. *Results Grants.*—Rs. 3,115 are provided, against Rs. 5,000 in the current year's budget. The decrease is owing to (1) the opening of elementary schools on salary-results system in places where there are at present pial schools on the results system, the latter being expected to be replaced by the former, and (2) the reduction of the rates of results grants for the third standard in pial schools at Hindupur and Madakasíra, where there are Local Fund elementary schools.

32. *Grant III, Hospitals, Dispensaries, &c.*—The total provision under this head is Rs. 33,780, against Rs. 33,360 provided in the current year's budget, as shown below.

33. *Medical Subordinates.*—Rs. 5,873 is provided, against Rs. 5,400 in the current year's budget. The increase is owing to the proposal to start a dispensary at Madakasíra and to the increase of pay allowed to the hospital assistant, Dharmavaram, who has been promoted to the second class. The former item partly accounts for the increased provision under the other minor heads.

34. *Clerks and Servants.*—The provision under this head is Rs. 1,517, against Rs. 1,420 provided for in the current year. The increase is accounted for by the opening of a dispensary at Madakasíra and by an increase of Rs. 2 allowed to the nurse attached to the Penukonda hospital.

35. *Vaccination.*—The budget estimate for 1890-91 is Rs. 4,910, against Rs. 4,150. The increase of Rs. 760 is due to the revision of the vaccine staff and

their salaries, as recommended by the District Medical and Sanitary Officer, Anantapur. A copy of the resolution, No. 20, dated 12th December 1889, of the District Board, accompanies. The usual proposition statement will be separately submitted.

36. *Improvement of Water-supply.*—The increase of Rs. 310 over the current year's estimate is mainly the result of the increased provision made by the Hindupur Taluk Board to meet the requirements of villages lying outside the Union limits.

37. *Improvement of Village-site.*—The provision under this head shows an increase of Rs. 370, which is due to payment of compensation for lands proposed to be taken up for two new roads on either side of Hindupur town with a view to improve the approaches to the village and to a similar provision by the Penukonda Taluk Board for the improvement of Penukonda village.

38. *Scavengering Establishment.*—The provision under this head is Rs. 7,864, against Rs. 7,320 in the current year. The increase of Rs. 544 is due to the proposed entertainment of additional sweepers and toties for the Gooty and Hindupur Taluk Boards. The contribution of Rs. 144 now paid to the Anantapur Municipality by the Anantapur Taluk Board is proposed to be discontinued, and the funds thus available will be utilized for providing a sweeper for four of the important villages in the taluk, viz., Singanamala, Marur, Kudair and Tadimarai.

39. *Other Sanitary Outlay.*—There is an increase of Rs. 130 under this head compared with the estimate of the current year. The increase is provided in view to the purchase of three additional carts and for other purposes in the Unions of Hindupur and Madakasíra.

40. *Bungalows, Rs.* 250.—This amount has been provided for the upkeep of the travellers' bungalows; the decrease of Rs. 170 is accounted for by the abolition of the services of watchers employed in the bungalows at Putakothacheruvoo, Gadaikal, Wajrakarur, Pairur and Gollah.

41. *Contribution to Municipalities.*—The usual provision of Rs. 1,000 has been made under this head, against Rs. 3,800, the estimate of the current year, which includes a special contribution of Rs. 2,800 towards the construction of the hospital building at Anantapur.

42. *Miscellaneous.*—Rs. 250 are provided for lighting charges to be incurred at Hindupur, Madakasíra and Gooty.

43. *Grant IV.*—The total provision under this head is Rs. 9,615, against Rs. 9,240 in the current year. The detailed variations are explained below.

44. *Taluk Boards' Establishment, Rs.* 1,415.—The increase over the current year's estimate amounting to Rs. 45 is due to the raising of the salaries of the clerks of the Taluk Board's office, Penukonda. A proposition statement will be separately submitted.

45. *Union Establishment, Rs.* 1,615.—The increase of Rs. 65 is due to the increase of pay provided for the clerks and peon and a bill-collector in the Unions of Madakasíra, Kalyándrúg and Dharmavaram.

46. *Travelling Allowance to Non-official Members.*—The increase of Rs. 100 over the current year's estimate, viz., Rs. 680, is due to the provision made by the Hindupur Taluk Board, while nothing had been provided in the current year's budget of that Board.

47. *Travelling Allowance to Office Establishment.*—The increase of Rs. 100 is due to the provision made to meet the payment of travelling allowances of the Taluk Board establishment.

48. The provision under "Reserve" is Rs. 4,940, being 10 per cent. of the receipts under "District Funds."

49. The total receipts according to the budget under all the heads are estimated at Rs. 1,46,495, and the total expenditure at Rs. 1,33,540, leaving a closing balance of Rs. 12,955, of which Rs. 215 appertain to house-tax, Rs. 6,500 to market endowments, leaving Rs. 6,240 as the net balance available for general purposes.

1289/3

50. I have to express my regret at the delay in the submission of this budget. It was mainly owing to the estimates of receipts under land-cess, fisheries and ferry rents, which under paragraph 5 of the rules should be furnished by the Collector by the end of the first week in September, not having been received until the 21st November 1889. The budgets of the Taluk Boards were received long after date.

1. Read consolidated budget for the year 1890-91.

The Bellary-Cuddapah road will in future be made a charge on the District Board Funds instead of the Gooty Taluk Board.

The budget as framed is passed with certain alterations.

From Surgeon-Major J. A. LAING, Sanitary Commissioner for Madras, to the Chief Secretary to Government, dated Fort St. George, 8th February 1890, No. 395.

I have the honor to report that I have no remarks to offer on the sanitary and vaccine allotments made by the District Board, Anantapur, for 1890-91. They amount to Rs. 11,929 and 4,910, respectively, and are improvements over the grants for the current year.

2. No details of the sanitary works, if any, under Grant I, have been furnished to me. Government drew the attention of the President to this omission in the budget for 1889-90.

From D. DUNCAN, Esq., M.A., D.Sc., Acting Director of Public Instruction, to the Chief Secretary to Government, dated Madras, 15th February 1890, No. 1552.

I have the honor to submit the following remarks on the educational portion of the budget estimate of the Anantapur District Board for 1890-91.

2. *Receipts.*—The educational assets are estimated at Rs. 16,880, including one-sixth land-cess with interest on arrears:—

	Rs.
One-sixth land-cess	13,320
School-fees	1,990
Voluntary contribution	100
Sale of books	320
Provincial grant	1,150
Total	16,880

The Board, having proposed to open 11 schools on the salary-results system, has taken credit for an increased income from school-fees. The figure may be accepted. The entry against Provincial grant is made up of Rs. 930 for the Local Fund Normal School, Anantapur, and Rs. 220 for the Middle School, Penukonda. As the Board will be entitled to receive results grants from Provincial funds for boys for the fourth and higher standards and for girls under all the standards, the estimate may, I think, be raised to Rs. 1,300 at least.

3. *Charges.*—The outlay proposed under Grant II aggregates Rs. 15,950, against Rs. 15,580 in the current year:—

	1889-90.	1890-91.
	Rs.	Rs.
Inspection	1,230	1,510
Normal schools	2,400	2,400
Board schools—		
Secondary	990	1,090
Primary	5,590	7,470
Results grants	5,000	3,110
Miscellaneous	370	370
Total	15,580	15,950

4. *Inspection.*—Three inspecting schoolmasters are employed in the district on a pay of Rs. 25 each per mensem. The Board has decided to fix the pay of these men at Rs. 35, Rs. 30 and Rs. 25 respectively. I approve of this arrangement, as the graduated scale of pay will stimulate these officers to exert themselves. Increased provision appears also to have been made for their travelling allowances.

5. *Normal Schools.*—As in the current year, Rs. 2,400 are allotted. The rate of stipend now allowed is Rs. 5 per mensem. The Normal school not having proved attractive to pial schoolmasters, I would suggest that the rate of stipend be raised to Rs. 6 generally, and to Rs. 7 in the case of teachers coming from remote villages. This concession would, I believe, lead to improved attendance at the school, which, as noticed by Government in its order, No. 2354 L., dated 12th October 1889, is at present worked at a cost out of all proportion to the results achieved. The additional charge would be well spent, if it led to the school being more freely resorted to.

6. *Board Schools.*—The increased provision for Secondary schools is intended to meet the pay of an additional teacher the Board proposes to employ for the feeder school to be opened to improve the condition of the Middle School, Penukonda. This may be allowed.

1284
4

The opening of eleven schools on the salary-results system is a move in the right direction. I trust the Board will employ none but trained men in these schools.

7. *Results Grant.*—The assignment for results grants seems sufficient with reference to the actuals of 1888-89.

8. *Building and Furniture Grants.*—No provision has been made for building or furniture grants to results schools. I would strongly recommend that an allotment of Rs. 500 be inserted in this budget.

9. The total outlay will exceed the Board's estimate by Rs. 500, or Rs. 350, if the increased grant expected from Provincial funds be taken into account.

ORDER—dated 7th March 1890, No. 538 L., Local and Municipal.

I.—Variations between the budget and revised estimates for 1889-90—

A. Increase due chiefly to enhanced collections under land-cess and to short expenditure under results grants in 1888-89.
B. Increase ascribed to the reclassification of houses in the Hindupur and Madakasíra Unions and to the collection of arrears.
C. Increase occurs mainly under fishery rents.
D. Increase due chiefly to the contribution of Rs. 1,564, payment of which by the Bellary District Board was ordered in G.O., dated 11th December 1888, No. 2328 L.
E. Decrease caused chiefly by the non-entertainment of a newly-sanctioned inspecting schoolmaster and by the delay in joining appointment of another inspecting schoolmaster.
F. Decrease due to decline in the number of students under training.
G. Increase chiefly provided for the improvement of water-supply.
H. Increase insufficiently explained.
I. Increase provided for printing charges and for pension.

II.—The principal variations between the budget estimates for the current and the ensuing years are explained in the President's letter.

2. The following errors, omissions and discrepancies are noticed in the budget statements:—

(1) In column 2 of Statements I-A and I-B and in column 5 of Statement IX, round figures should have been adopted.

(2) In columns 2—4 of Statements I-A and I-B and in column 5 of Statement IX, the allotments from the Taluk to Union funds should have been omitted.

(3) In column 2 of Statement I-A, the contribution of Rs. 600 promised by the Jubilee Committee at Tadpatri towards the construction of a chattram there, should have been shown under "6, Public Works," and not under "5, Miscellaneous."

(4) In column 3 of the same statement, the miscellaneous medical receipts amounting to Rs. 10 should have been shown under "3, Medical," as in the sanctioned budget, and not under "2, Education."

(5) In column 2 of Statement I-B, the sum of Rs. 200 provided for the repair of the town roads at Hindupur should have been shown under Repairs—Communications, as pointed out by the President in para. 19 of his letter, and not under "New Works."

(6) In column 2 of the same statement, the provision made for the pay of a light-keeper on Rs. 4 per mensem in the Tadpatri Union should have been shown under Grant III—(*h*) Miscellaneous, and not under (*c*) Sanitation—(3) Scavenging Establishment.

(7) In the last column of Statement I-B showing the actuals of 1888-89, the sum of Rs. 92, paid to the Public Works Department for the scrutiny of Local Fund plans and estimates, should have been shown under Grant I—(*c*) Establishment, and not under (*e*) Contingencies.

(8) In the last column of the same statement, the closing balances under Unions and Endowments are shown as nil and Rs. 5,798, respectively, whereas the figures given in the Accountant-General's statements are Rs. 364 and Rs. 5,998, respectively.

(9) In Statement VI the total outlay on sanitation which the Penukonda Taluk Board proposes to incur is shown as Rs. 2,920, whereas the amount given in Statement VIII is Rs. 3,000.

(10) In the same statement, the provision made for a light-keeper on Rs. 4 a month in the Tadpatri Union, which is debitable to Grant III—(*h*) Miscelloneous, should have been shown separately in a foot-note and not under (*c*) (3) Scavenging Establishment.

(11) In Statement VII, the transactions of each market should have been shown separately and not lumped together for each taluk.

(12) In Statement VIII, the receipts and charges appertaining to each Union should have been shown separately and not lumped together for each taluk.

(13) In column 5 of Statement IX, the sum of Rs. 1,564 paid by the Bellary District Board under G.O., dated 11th December 1888, No. 2328 L., should have been shown under 6 (*d*) (2) Contributions from other District Boards, and not under 6 (*d*) (3) Contributions from private individuals.

(14) In columns 4 and 5 of the same statement, a sum of Rs. 700 is shown as an allotment from the District Fund reserve on the receipt side, and the same amount is exhibited as reserve on the expenditure side. The necessity for these entries should be fully explained. Meanwhile, they will be struck out.

(15) In the same statement, the cost of lanterns purchased for the Madakasíra Union should have been shown under Grant III—(*h*) (3) Miscellaneous, and not under (*e*) (5) Other sanitary outlay.

(16) Column 7 of the same statement should have been filled in, even in those cases in which there have been no subsequent allotments.

(17) In the same statement, the receipts, charges and balances appertaining to Endowments and Unions have not been shown by means of a foot-note as required by the rules.

(18) In Statement IX-A, the balance of land-cess outstanding at the close of the previous year is shown as Rs. 766, whereas according to the report for that year the amount was Rs. 3,332.

(19) Statement IX-B has not been correctly prepared, as it does not include all the allotments and transfers of funds sanctioned by competent authority.

(20) The Government orders sanctioning the establishments maintained have not been quoted in the remarks column of Statement X. Nor have the vaccine establishment and the establishments entertained by the Kalyándrúg and Dharmavaram Panchayats been shown therein.

The necessary corrections have been made with reference to clauses (1), (2), (3), (4), (5), (6), (7), (13), and (14) above. The discrepancies noticed in clauses (8), (9) and (18) should be explained, and revised statements VII and VIII should be submitted with reference to clauses (11) and (12).

3

REVISED ESTIMATE FOR 1889-90.

3. The current receipts and charges are now estimated at Rs. 1,16,680 and Rs. 1,17,250, respectively, against Rs. 1,12,020 and Rs. 1,17,880 anticipated in the sanctioned budget, the increase in the receipts occurring mainly under house-tax. The circumstances under which the allotments from the District to Taluk funds have been reduced from Rs. 10,340 to Rs. 4,502 have not been explained. This should now be done. The necessity for raising the allotment for markets from Rs. 1,900 to Rs. 3,956 should be fully explained. If any portion of the provision made under this head is intended for market improvements, the same should have been shown under Grant I, Miscellaneous Public Improvements. The provision of Rs. 70 made for law charges is sanctioned.

The proportion of house-tax remaining to be collected in the last six months of the year is considerable, and the expenditure under Grant I during the first six months is exceedingly unsatisfactory. The more important variations between the sanctioned and revised estimates should have been explained in the covering letter.

BUDGET ESTIMATE FOR 1890-91.

4. *Receipts.*—The current receipts for the ensuing year are estimated at Rs. 1,13,190, against Rs. 1,16,680 anticipated in the revised estimate for 1889-90, the decrease occurring chiefly under land-cess. The Provincial grant for education will be raised by Rs. 150, with reference to paragraph 2 of the Director's letter read above.

5. *Expenditure*—(1) *Grant I.*—The proposed revision of the staff of overseers referred to in paragraph 25 of the President's letter is sanctioned; but the proposal to pay them a consolidated batta of Rs. 10 a month is inadmissible. The President is requested to state the agency by which the market improvements, for which a sum of Rs. 2,500 is provided, are to be carried out, as no provision is made on account of supervision and of tools and plant in Statement VII. It should also be explained how the cost of the Local Fund Engineering establishments, &c., has been distributed between the District and Taluk funds. Meanwhile, the President's figures will be retained. A provision of Rs. 240 will be made for contribution to the Public Works Department for the scrutiny of Local Fund plans and estimates, with reference to G.O., dated 1st February 1890, No. 193 L.

(2) *Grant II.*—The Local Board's proposals (1) to raise the salaries of the two inspecting schoolmasters in the district by Rs. 10 and Rs. 5, respectively, and (2) to entertain additional master on Rs. 8 for the Penukonda Middle School, are sanctioned. The Director's suggestions in paragraphs 5, 6 and 8 of his letter will be referred to the Local Boards for consideration and report.

(3) *Grant III.*—The Taluk Board's proposals to open a dispensary at Madakasira with the establishment shown in Statement V, and to increase the pay of the nurse attached to the Penukonda hospital by Rs. 2 a month, are sanctioned, subject to the remarks of the Surgeon-General. The proposed revision of the vaccine establishment referred to in paragraph 35 of the President's letter is sanctioned. The provision made for the employment of the additional sweepers referred to in paragraph 38 will be allowed to stand pending the submission of the usual proposition statement. The President's attention is drawn to the omission pointed out by the Sanitary Commissioner in paragraph 2 of his letter read above. The same omission occurred in the previous year. Under Contributions for the Medical College, Sanitary Inspection, Medical Reserve Staff and Cutlers' Establishment, the actuals of 1888-89 will be repeated with reference to G.O., dated 2nd April 1887, No. 641 L. The President is requested to furnish details of the sum of Rs. 250 provided for lighting charges, and to state whether this service is to be undertaken by the Taluk Boards or by the Union Panchayats. It is observed that no provision has been made for the entertainment of additional midwives, in spite of the remark made in paragraph 4 (3) of G.O., dated 12th October 1889, No. 2354 L.

(4) *Grant IV.*—The provision for controlling establishments at the Presidency, including the cost of printing work done at the Government Press, will be raised to Rs. 1,170, so as to correspond with the actuals of 1888-89. The Penukonda Taluk

1284
b

Board's proposal to raise the salaries of its two office clerks by Rs. 2 each cannot be sanctioned. It is presumed that the increase of pay proposed to the clerks, peon and bill-collector of the Unions referred to in paragraph 45 of the President's letter is within the scale fixed in G.O., dated 6th September 1886, No. 1091 L. F. Proposition statements in the usual form should be submitted for the changes mentioned in this paragraph of the covering letter; meanwhile, the proposed increase will be permitted to stand provisionally.

6. *Allotments, Reserve and Balance.*—The allotment from the District to Taluk funds will be raised from Rs. 4,820 to Rs. 7,320, with a view to provide a small reserve under Taluk funds. The reserve, calculated at 10 per cent. of the estimated receipts, excluding those of endowed institutions, should be Rs. 10,640, but only Rs. 7,640 are available—Rs. 4,940 under the District, and Rs. 2,700 under Taluk, funds. The budget as revised by Government closes with a balance of Rs. 10,180 distributed among the several funds as shown below:—

		Rs.
District Fund		3,470
Taluk Fund	Endowment	6,500
	General	..
Union Funds		210
	Total	10,180

The balance available for general purposes under the District Fund is 7 per cent. of the estimated receipts, and there is no balance at all under Taluk funds. Proposals should be submitted in the course of the year for utilizing a portion of the balance of Rs. 6,500 in favor of markets under Taluk funds.
