READ—the following Proceedings of the Board of Revenue (Revenue Settlement, Land Records and Agriculture), dated 4th March 1890, No. 57 :—

MR. CLOGSTOUN.

Read—list of famine-relief works for 1889-90 from the Collector of Kurnool, dated 22nd February 1890, No. 486.

Resolution—dated 4th March 1890, No. 57.

The list of famine relief works received from the Collector of Kurnool for 1889-90 will be submitted for the information of Government in continuation of Board's Proceedings, No. 4205, dated 25th October 1889.

2. The works are estimated to cost Rs. 4,95,888 as shown below :—

	RS.
Civil Agency—	
From Provincial and Special funds	1,94,560
„ District Boards	2,93,057
„ Municipal	8,271
Total ...	4,95,888

This sum is sufficient to afford employment for one year at annas $1\frac{1}{2}$ per diem to 2.1 per cent of the population of the district which was estimated at 678,551 in the census of 1881, excluding the native state of Banganapalle.

(Signed) P. RAJARATNA MUDALIAR,
Secretary.

To the Secretary to Government, Revenue Department,
with one list, in original.

Copy to the Collector of Kurnool.

READ—also G.O., dated 7th March 1890, No. 524 L., Local and Municipal.

ABSTRACT.—Communicating letter from the President, District Board, Kurnool, regarding famine-relief works.

READ—also G.O., dated 17th March 1890, No. 661 L., Local and Municipal.

ABSTRACT.—Communicating letter from the President, District Board, Kurnool, giving the probable cost of the works referred to in his statement.

ORDER—dated 28th March 1890, No. 233, Revenue.

Miscellaneous.

The following statement shows the amount of the estimates for Civil and Professional Agency works which could be started in the Kurnool district if famine were to occur :—

	Amount of estimate. RS.
Civil Agency—	
Agricultural and Special Fund works	1,94,560
District Board works	3,13,057
Municipal works	8,271
Total, Civil Agency ...	5,15,888
Professional Agency ...	54,900
Grand Total ...	5,70,788

These works would thus afford relief to 1.8 per cent. of the population at an average wage of 2 annas per diem or to 2.4 per cent. of the population, if the daily wage be reckoned at an anna-and-a-half.

2. In addition to the above works, the improvement of the gradient of the road between Kurnool and Kurnool road railway station proposed by the Consulting Engineer for Railways in his letter, dated the 8th November last, No. 451, in connection with a proposal for a tramway to connect the town of Kurnool with the railway would afford employment for a small number of people.

3. The Government observes that although the Collector has amplified his list in obedience to G.O., No. 783, dated 20th September 1889, the works proposed would not suffice for a district like Kurnool, where in the event of a famine, a large proportion of the people would have to be provided with labor. The Collector should endeavour to submit a larger list of works next year.
