PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following paper :—

Letter from the President, District Board, Tinnevely, dated 29th March 1890, No 32:-

I have the honor to bring to the notice of Government that G. E. Manson Esquire, the Executive Engineer of Tinnevely, who was appointed a member of the District Board in July last, has not attended even a single meeting though as many as 8 meetings were held since the date of his appointment. On an explanation called for, he says that he has never found time, as the meetings are held at 4 P.M. far off from his office (nearly 2 miles) Vide his explanation enclosed.

2. The meetings are held at 4 P.M. as it is found convenient for all official members as also non-officials coming from the distant parts of the District. I beg therefore that the Executive Engineer may be ordered to attend regularly as his removal would be inconvenient.

Order

Order thereon dated 24th April 1890, No 944 L.D.M.

Mr. Manson will be informed that he must attend the meetings of the District Board while at Head Quarters.

2. The reason assigned by him for hitherto failing to do so is inadmissible.
