I enclose an application for permission to draw out my deposit (about Rs 450) from the Provident Fund. Ranier tells me I can do it if sent home on sick certificate.

about my pay while in India as far as I see I should be on full pay until receipt of B.O. cancelling my furlough - (this was 21st). If I had received the telegram telling me not to hand over charges when I was in Ganjam I should have drawn full pay. I might then be put on subsidiary leave as long as I have
