GOVERNMENT OF MADRAS.
PUBLIC WORKS DEPARTMENT.

Military Works.
Account.

READ—the following paper :—

From Major-General E. H. COLLEN, C.I.E., Secretary to the Government of India, Military Department, to the Inspector-General of Military Works, dated Simla, 17th April 1890, No. 900 M.W.

With reference to previous correspondence on the subject of the collection of rents for public quarters ending with Military Department No. 265 M.W., dated the 14th February 1889, I am directed to state that, on further consideration, the Government of India have decided that the most convenient procedure for the recovery of such rents will be for the Executive Engineer on the spot to make such recoveries in cash, and adjust them finally in his accounts in the following manner :—

2. Rent list shall be prepared by the Executive Engineer, and submitted in the case of—

Regimental officers—To the Regimental Paymaster.

Staff officers, including the Medical Staff—To the officers occupying the quarters.

Departmental officers and subordinates—To the Senior officer of the department on the spot.

Officers to whom rent lists are submitted should be held responsible for the recovery and payment in cash to the Executive Engineer after the rent list has been accepted.

3. The rent should be collected monthly, or in the case of broken periods as soon as the date of vacancy is known, and be forwarded to the Executive Engineer by the officers collecting them. Commanding or collecting officers should be held responsible for keeping the Executive Engineer informed when possession has been taken of a quarter and when a vacancy is likely to occur, so that in the latter case the Executive Engineer may be able to send a separate rent list for the broken period before the occupant vacates.

4. When the Executive Engineer has failed to secure payment of a claim in the above manner, and after every effort has been made by him to that end, he should address the Pay Examiner of the Military Account Department of the circle concerned, who should then recover the amount in the same way as he recovers any other retrenchment, and adjust it to the credit of the Military Works Department through the central adjusting account.

Copies of the foregoing forwarded, for information and guidance, to the Secretary to the Government of Madras in the Public Works Department; the Secretary to the Government of Bombay in the Public Works Department; the Secretary to the Government of Bengal in the Public Works Department; the Secretary to the Government of the North-Western Provinces and Oudh in the Public Works Department; the Secretary to the Government of the Punjab in the Public Works
