Copy of letter from the Suptg. Engineer
" Circle to the Dewan of Ramnad
No. 83 dated 27th April 1890 B36
1

With reference to your No. 101 of the
16th April 190, regarding sub-divisional
allowance claimed by the Estate
Engineer W. J. M. Taylor, I have
the honor to observe that under
para 526 of the P.W. Code, an upper
subordinate, while in charge of
a sub-division, is entitled to a
sub-divisional allowance of Rs.
30 per month - under this rule
a sub-engineer, 1st grade, or Rs.
400 per month is also entitled to
this allowance -

2. Under Go No. 3587 W of 28th October 1890
W. Taylor is to draw Rs. 250. the
pay of sub-engineer 3rd grade - i.e.
the next grade above that which
he holds in this department -
When he was a sub-divisional
officer in the late Ramnad division,
he was drawing Rs. 200. the pay
of supervisor 1st grade - plus Rs. 50.

sub-divisional allowance; if this allowance is now stopped, his promotion to the next higher grade does not benefit him to any appreciable extent.

3. Mr. Taylor's present charge is much more extensive & responsible than his former charge as sub-divisional officer. It does not appear necessary that any specific mention of the sub-divisional allowance should have been made in the G.O. quoted above, nor do I think that it was ever intended by Government that Mr. Taylor should lose the allowance he was drawing by his Services being lent to the Municipality. It is also observed from the letter of the Govt. of India, printed in G.O. of 17th December/09, that he is to draw the Salary of the next higher grade, while employed in the Municipality.

4. Under the circumstances stated above, I am of opinion that

Mr. Taylor is entitled to the sub-divisional allowance which he was drawing before in addition to Rs. 250/-.
