NOTE OF REMARKS.

The accompanying Abstract Estimate is amounting to Rs. 6,350 provides for constructing an iron goods shed at Maunipahar.

The dimensions of the shed are 90 x 30 x 10.

As only an abstract Est: has been submitted without quantities or rates it cannot be checked.

It is stated that the cost of the shed already constructed amounts to Rs. 5,120 and that the increase in the present Est: is chiefly due to rise of rate in iron work & in painting.

The estimate is

made to an Est: in duplicate but we can only find the abstract estimate - Will you kindly explain this.

Why the abstract estimate of the S. S. 90's letter were received in the R. D. with some more to send to the S. S. 90's.

been countersigned
by the Collector and
approved in the Revenue
Department.

The report stated
that on reference
to Messrs. Dunn & Co
of Calcutta it was
ascertained that a
shed similar to the
one constructed would
cost Rs 5150 this amount
apparently provides
for the 3 first items
in the Est: viz for work,
Freight, & Landing Charges.
in addition to this
Rs 1200 is provided
in the Est: for Erection,
painting, Telling Supervision
& Contingencies.
