ORDER—dated 16th May 1890, No. 1373 W., Public Works.

The foregoing are reports on buildings, &c., of historical or architectural interest for the year 1889-90.

2. The reports from the I, III and VI Circles will be forwarded to the Public Department for the information of the Director-General of the Archaeological Survey of India.

3. The Superintending Engineers of the II, IV, V Circles, the Chief Engineer, Periyár Project, and the Presidency Architect have submitted *nil* returns.

4. With reference to the remark of the Superintending Engineer, VI Circle, against serial Nos. 12, 14 and 20 that certain repairs have not been carried out for want of funds, the Superintending Engineer is informed that he should apply to Government for whatever funds he requires for the conservation of buildings, &c., of historical or architectural interest.

5. The estimate of Rs. 350 forwarded by the Superintending Engineer, VI Circle, with his No. 1335 M.D., dated 27th February 1890, was referred to the Public Department for the opinion of the Archaeological Department in No. 1270 C. of 8th March 1890.

6. The attention of the Public Department is invited to the remarks against serial No. 1 of the return from the I Circle regarding land required from the zemindar of Pálúr.

(True Extract.)

(Signed) R. R. E. DRAKE-BROCKMAN, Lt.-Col., R.E.,  
Ag. Joint Secy. to Govt., P.W.D.

To the Public Department, with four returns.  
" Chief Engineer, Periyár Project.  
To Superintending Engineers.  
To the Presidency Architect.
