GOVERNMENT OF MADRAS.
PUBLIC WORKS DEPARTMENT.

Buildings and Roads,
Civil Works.

READ—the following paper :—

From C. VINCENT, Esq., Under-Secretary to the Government of India, Public Works Department (Civil Works—Buildings), to the Secretary to the Government of Madras, Public Works Department, dated Simla, 29th April 1890, No. 108 B.

I am directed to acknowledge the receipt of your letter No. 922 W., dated the 21st March 1890, recommending, for the reasons stated, that sanction may be accorded to the rent of the Government quarters at Pámban, which are occupied by the Port Officer of that place, being fixed at Rs. 15 per mensem.

2. In reply, I am to say that in the opinion of the Government of India the defects alleged to exist in the building do not afford any adequate ground for the reduction of the rent. If such defects exist, it is within the competence of the Government of Madras to take the necessary steps to have them remedied and thus remove the objections of the tenant to the full amount of rent leviable under the existing rules being realised.

3. The Government of India, I am to say, considers that this course would be preferable to a reduction of rent, the quarters being left in their present condition.

ORDER—dated 16th May 1890, No. 1380 W., Public Works.

Communicated to the Marine Department with reference to G.O., No. 921 W., dated 21st March 1890.

2. The Superintending Engineer will, with the least possible delay, submit an estimate of the cost of remedying the defects in the building. Meanwhile rent at 10 per cent. of the Port Officer's salary must be paid.
