Copy of letter from the Superintendent
of Police, South Kanara, dated 15th
March 1890, No. 127 to the Assistant
Inspector General of Police, Madras.
With reference to your General
Department Memo No. 1227 of 7th instant,
I have the honor to inform you
that it appears from the correspondence
of this office that on 2nd April 1889
Mr. Wilkinson, then in charge of
the District, wrote and asked the
Executive Engineer to take charge of all
the buildings vacated by the Police on
account of the abolition of Stations. At
that time it does not appear to have
been considered ^{necessary} to keep an out-post at
Panimangalore. Mr. Bagshawe, however,
intimated to the Sub-Divisional officer,
South Kanara, on the 5th June 1889 that
he proposed to retain possession of
Panimangalore Station as in all probability
a permanent out-post would be required
and there was no suitable Government
building available there. The Sub-
Divisional officer in his reply dated

8th idem communicated that the building would be considered to have been returned to Police Department.

Under these circumstances, I think that the Department of Public Works should not have applied for sanction of Government to transfer the station in question to the District Board. I beg to invite your attention to the fact that the application for the transfer of the station was made on 15th July 1889 long before I came to the District.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following paper:—

From the Inspector General of Police, Madras, dated 1st April 1890, N-1865.

With reference to G.O. N-2022 dated 26th July 1889 directing the transfer to the District Board of South Canara of the Police Station House at Panimangalore, I have the honor to ask that Government may be pleased to sanction the retention of the building by this Department as it is proposed to keep a permanent out post there; no other suitable Government building is available for the purpose.

2. The approval of the District Magistrate to the above proposal has been obtained.

3. It will be seen from the accompanying letter from the Superintendent of Police that the Sub-Divisional officer intimated to him on the 8th June last that the building in question would

would be considered to have been
returned to the Police Department but
upon the Superintending Engineer's
application dated 15th July 1889 its
transfer to the District Board was
sanctioned by Government
