GOVERNMENT OF MADRAS.

FINANCIAL DEPARTMENT.

READ—the following paper:—

From E. LAWRENCE, Esq., Under Secretary to the Government of India, Department of Finance and Commerce (Accounts and Finance—Estimates and Accounts), to the Chief Secretary to the Government of Madras, dated Calcutta, the 29th March 1890, No. 1480.

I am directed to acknowledge the receipt of the Estimates of Revenue and Expenditure of the Madras Presidency for the year 1890-91.

2. It will be seen from the accompanying statement that the Local estimates have been accepted by the Government of India, in all cases, except under VII, Customs, and 26, Scientific and other Minor Departments, the estimates under which have been increased by Rs. 1,75,000 and Rs. 80,000, respectively.

3. The increase of Rs. 1,75,000 under VII, Customs, represents the additional revenue expected from the increase in the duty on imported spirits, and that of Rs. 80,000 under 26, Scientific and other Minor Departments, is due to the provision made for Census charges.

4. The reasons for the adoption of the estimates under IX and 11, Forest, will be communicated to you by the Revenue and Agriculture Department; and those for the estimates under the Public Works heads by the Public Works Department.

5. A memorandum is annexed showing how the Provincial share of Land Revenue has been calculated. It will be seen that the Provincial revenues have been debited with the special contribution of Rs. 17,50,000 ordered in Financial Resolution, No. 689, dated 5th February 1889, to be made during the current year from Madras Provincial resources to Imperial Revenues. As explained in the last financial statement, this contribution has been transferred from the current to the next year with a view to strengthen the financial position of the Government of India next year.

Copy, with copy of the annexures, forwarded to the Comptroller and Auditor-General, and to the Accountant-General, Madras.

(By Order.)

(Signed) E. LAWRENCE,
Under Secy. to the Govt. of India.
