SUPERINTENDING ENGINEER'S OFFICE,
V Circle, Madras,
Chepák, 15th April 1890.

From Lieutenant Colonel S.C. Clarke RE
Offg. SUPERINTENDING ENGINEER, V CIRCLE,

To THE Chief Engineer
P. W. Department.

SIR,

Enclosures.

I have the honor to request that the early sanction of Government may be obtained to the confirmation of the adjustment made by the P. W. stores of the loss amounting to Rs. 718-3-10, under the ruling of para 1973 P. W. Code, that has been caused by the necessity for selling by Public Auction certain logs of Sal wood purchased in 1886, from the Forest Department by the P. W. stores for experimental purposes. The General Superintendent in May 1889 reported that the said wood was wholly unserviceable and utterly destroyed by dry rot and by the ravages of the white ant and asked for permission to sell the same by auction

wherein

which was accordingly granted.

2. The original Book value of the Timber was Rs. 839-4-10 but the amount realized at the Auction sale only amounted to Rs. 121-1-0 leaving a balance of Rs 718-3-10 to be debited to the Profit and Loss Account which has been already adjusted in the P. W. stores accounts for 1889-90 but still requires the Government sanction now applied for.
