Sir,

With reference to your letter No 20 of 24th Instant, requesting to move Government to pass the Conveyance allowance to the family of late Sergeant Green from Calicut to Bangalore, I have the honor to inform you that it has been finally disposed of in G.O. No 8110 dated 11th January 1890 referred to in your letter under reply and the Government is not likely to reopen the question. If necessary the party interested may address the Government. In the meantime I request you will be good enough to take steps to recover the charges already

No 159. 3/April

West Coast Division Office,
Calicut 17th April 1890.

From

Col: A. T. Fraser R.E.,
Executive Engineer,
West Coast Division.

To

The Superintending Engineer,
4th Circle.

Sir,

I have the honor to state with reference to your No 42 WL. dated 4th February last that the Officer Commanding R.E. is unable for obvious reasons to make out a case for appeal.

2. I do not however want the question of grant of Railway fare to deceased Subordinate now reopened, but there are grounds for submitting this particular disallowance of Rs 32-12-6 to Government to be passed as a special case in the P.W. Department having been incurred under the only guidance available.

Code

Code 620. and in consideration of the necessity for an additional Standing Order on the subject directed in Government Order 5742 W of 5th December 1889 para 2 to be inserted in the Code.

3. I would point out that the ruling of Volume X, Part II, Army Regulations was not procurable until a reference had been made to the Pay Examiner by the P. W. D. Examiner but it was necessary for me to give a decided answer at once, as the family could not be kept waiting at Calicut without subsistence, or be expected to make their own arrangements till they knew where they stood.

4. Had the Code contained the standing order now deemed requisite, of course the present special case would not have arisen.

5. Nor would the long delay in obtaining the correct ruling have resulted in the Munsiff's Court appropriating Assets on which the advance of transit charges would have been a preferential claim. 4/1891

I have &c

Encls. 1.

Paras 638 and 639 of Army Regulations India, volume X, part II are very clear. If a widow elects to draw travelling allowance to any station in India, she forfeits her claim to a free passage to England.

2. If Government wish to allow Mrs. Green to draw travelling allowance from Calicut to Bangalore without forfeiting her claim to passage home, orders of the Government of India should be obtained to that effect, and probably in the Military Department.
