I return this current
with the previous papers,
for draft disposal.

Please see the Chief
Secy's remarks on your
draft disposal on Aug
3 585 -

As the allotment
asked for in office with
Lys. 1259C & 7.3.90,
was required in 1885-90,
we shall suppose
have come full for
a fresh grant for 1890-91,
unless the maintenance
during the present &
future years will come
out of the Provincial
land grant for
the Virginia Indian
Reserve. The latter
apparently will be
the case, & if so, I
think it will be
sufficient to say that
as the allotment

was required last year,
 any expenditure incurred
 in that year ~~may be~~
 debited to the Dist Bd.
 (as per your draft) &
 that during the present
 year until further order
 the cost of maintenance
 & improvements will be
 met from the Provincial
 grants made for
 the purpose.

 Please see my pencil notes
 below the Chief Secy's remarks.
 The maintenance of the
 road should from this year
 be met from Provincial grant with
 para 1 of President's letter
 No: 840 of 20 December 1889
 & C. No: 500 of 22 February 1890.
 Draft order on the two currents
 is herewith submitted for approval
 in the terms of your note. There
 is no special allotment for the main-
 tenance of the Vayitri Sindalpur road
 but the expenditure is met from the lump
 sum grant to the Dist Bd.

With reference to the G. O. No. 588 W of 24th February 1890, conveying sanction to the execution by the P.W.D. of the marginally noted work towards which a contribution is to be made from local funds, please obtain the orders of the Government in the financial department instructing the Accountant General, Madras, to place the sum of Rs 2665-14-0 at the disposal of this department as required by Madras P.W.D. On receipt of Proceedings
the Local and Municipal
Department No 331 of (Miss) of
February 1890 (C.O. No 588W

Department was asked in office
No 1239C of 7 March 1901 to
ask the Accountant General to
release the necessary funds at the
order of this Department, and
reply has yet been received.

As the grant under
reference was required for
year 1889-90 which has
already expired, no further
action is necessary. Any ex-
penditure that may have been
incurred on the work in the

opened in para 1 and have ascertained
that there was most measurable delay
in disposing of it of which I shall
take due notice.
The figure given by the Exr. P.W. Clerk seems
to be incorrect. It has been apparently
taken without check from para 3 of the
letter of the President L.B. No. 840 dated
25th Dec. 1889. The amount stated in
Exr. No. 835 dated 2nd April 1890 seems
to be the correct one.
35.4.90.

* The figures given by the Exr.
are no doubt incorrect and have
been taken without check from
para 3 of the President's letter No.
840 of 25 December 1889. The
amount applied for by this office
under office note No. 1257 of 7 March
1890 is the correct figure and the
same sum has been allotted in
Exr. No. 835 of 2 April 1890.
