GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

General.
Account.

READ—the following paper :—

From M.R.Ry. S. SRINIVASA RAGHAVAIYANGAR, Avergal, Dewan Bahadur, Inspector-General of Registration, to the Chief Secretary to Government, dated Madras, 2nd May 1890, G. No. 1330.

In forwarding copy of letter No. 1532, dated 23rd April 1890, from the Registrar of Madura and of its enclosure, I have the honor to request that Government may be pleased to sanction, from the reserve at their disposal, funds for the construction of the Sub-Registrar's office at Mutukulatūr, for which estimates, amounting to Rs. 3,750, were sanctioned in G.O., dated 26th August 1889, No. 2348 W., communicated with the endorsement in the Judicial Department, No. 1583, dated 10th September 1889.

2. In the list of offices to be built during 1890-91, submitted to Government in the Public Works Department in October 1889, Mutukulatūr was included, but in the Preliminary Issue of the Provincial Civil Works Budget for 1890-91, circulated with G.O., dated 21st December 1889, No. 3634 W. (G.O., 14th January 1890, No. 43 R., Judicial), Mutukulatūr has been entered under B class works and not under A class works.

3. I beg to add that an office on the standard design is urgently needed at Mutukulatūr.

ENCLOSURES.

From M.R.Ry. V. RAJAGOPALACHARIAR, Registrar of Madura, to the Inspector-General of Registration, dated Madura, 23rd April 1890, No. 1532.

In forwarding herewith a true copy of letter No. 37 M., dated 21st April 1890, from the Executive Engineer, Madura, I have the honor to request that funds may be allotted for the new office building in Mutukulatūr in the current year.

2. From your Proceedings, G. No. 3628, dated 11th November 1889, I was under the impression that the needful had been done for the starting of the work, and therefore requested the Engineer to expedite its completion. But I see from the Engineer's letter that the work has been classed only in B schedule, and that funds have yet to be allotted.

3. I need hardly mention that an office building in Mutukulatūr is urgently needed as the place abounds with thatched buildings subject to accidents by fire, and as further the present accommodation is very inconvenient.

From T. W. S. SMYTH, Esq., Acting Executive Engineer, Madura Division, to the District Registrar of Madura, dated 21st April 1890, No. 37 M.

With reference to your letter No. 901, dated 9th ultimo, I have the honor to inform you that arrangements are being made for constructing the Sub-Registrar's office at Mutukulatūr, and to request that you will be good enough to let me know whether any special orders have been received about the allotment of funds as the work is classed only under class B in the
