From,

J. Harrison Esquire,
Superintending Engineer,
II Circle.

To,

The Chief Engineer,
Public Works Department.
Madras.

Sir,

With reference to G.O. No. 3,420 W. of the 2nd December 1889 passed on Objectionable Items Statement for the Quarter ending 31st August 1889, Buildings and Roads Branch, I have the honor to forward herewith for your approval and sanction of Government Estimates for stone manufacture at the following places during 1889-90.

Bezvada Quarry — Rs. 12,350.
Mogalarazapuram Quarry — 15,226.
Silanagaram Quarry — 7,778

2. Outlay was incurred against the above Estimates in the absence of Sanction, so that the different sanctioned masonry works including Anic

amount repairs might be proceeded with. I know of no reason why the Estimates should not have been submitted in proper time by the late Division Officer Major Langley, except perhaps that he had more work to do than he could cope with and had to put up with an inefficient Sub-Division Officer.

I have the honor to be,
Sir,
Your most Obedt. Servt.
W Hannam
Superintending Engineer.
H. Steele.
