NOTE OF REMARKS.

The accompanying plan & Estimate amounting to Rs 740 provide for constructing a latrine in the Native Infantry Lines at Mangalore in the South Canara Dist:—

The estimate was called for by the Dist: Staff Officer.

The particulars of construction are as follows—

The foundations and basement are to be built with laterite in clay, and the walls of laterite in chunam.

No plastering or pointing is provided for the walls.

The drains are to be plastered with Surki cement and tarred.

The roof will consist of Erool wood framework covered over with

— Class Mangalore tiles. The scantlings of the roof timbers are correct, the rafters are to be placed 36" inches apart. It would be better if they were placed 30" apart.

The flooring is to be of laterite jelly in clay. The partitions are to be of corrugated iron.

The plinth area of the latrine is 735 sq. ft. and the cost per sq. foot will be Rs 1-0-1 —

The rates are fair — The plan & Estimate have been countersigned by the Quarter Master General and approved in the Military Depts. but the Supg. Engr. IV Circle has not signed them, neither have they been signed by the Ex. Engr. —
