GOVERNMENT OF MADRAS.

LOCAL AND MUNICIPAL DEPARTMENT.

Read—again the following paper:—

G.O., dated 14th November 1889, No. 2639 L., Local and Municipal.

Abstract.—Referring to the Presidents of the District Boards concerned, for verification and early report, statement showing the amounts of estimates for Local Fund works scrutinized by the Public Works Department during the quarter ending 30th September 1889.

Read—also the following papers:—

From W. J. H. LE FANU, Esq., President, District Board, North Arcot, to the Chief Secretary to Government, dated Chittoor, 23rd November 1889, Reference on Govt. L.F. No. 304.

With reference to G.O., dated 14th November 1889, Mis. No. 2639 L., I have the honor to report that the amount of the estimate for constructing a masonry bridge of 3 arches of 28 span each over the surplus channel of Sholinghur tank, Wálajápet taluk, as revised with reference to the Superintending Engineer's suggestions and sanctioned by Government in their Order, No. 2008 W., Public Works, dated 25th July last, is correctly noted as Rs. 17,120 in the statement which accompanied the Government Order under reply. The percentage of contribution for scrutinizing it, calculated at 2½ per cent. on the amount of the estimate, is Rs. 428. This was adjusted to the debit of District Board funds and credit of Public Works Department by the Inspector of Local Fund Accounts, and intimated to me in his No. 39 L.—A.C.X., dated 5th instant.

From the President, District Board, Kurnool, dated Kurnool, 27th November 1889, No. 88.

From the President, District Board, Kistna, dated Masulipatam, 9th December 1889, No. 222.

From the Collector and President, District Board, Nellore, dated Nellore, 10th December 1889, No. 2287—L.W.

From the President, District Board, Tanjore, dated Vallam, 21st December 1889, No. 378.

From the Collector and President, District Board, Bellary, dated Bellary, 21st January 1890, No. 141.

From W. G. UNDERWOOD, Esq., President, District Board, Anantapur, to the Chief Secretary to Government, dated Anantapur, 22nd January 1890, No. 73.

Adverting to G.O., dated 14th November 1889, No. 2639, referring for verification two estimates, (1) for the construction of a new hospital at Anantapur, (2) high school at Anantapur, amounting, respectively, to Rs. 5,590 and Rs. 14,875, I have the honor to report that the statement is correct. But I beg to inquire whether the

whole charge for scrutiny should be borne by the District Funds, or whether it should not be apportioned between the District and Municipal Funds with reference to the amounts to be respectively contributed by them towards the proposed buildings. The District Board has promised a contribution of Rs. 2,800 towards the hospital building, which is estimated to cost Rs. 5,590, and Rs. 6,000 out of Rs. 14,875, being the amount of the estimate for the high school.

2. The Accountant-General has forwarded two statements, Nos. 62—A.C.X. and 74—A.C.X., dated 25th November and 22nd December 1889, showing the amounts to be adjusted to the credit of the Public Works Department on account of the estimates in question, but I have deferred carrying out the adjustment pending orders of Government on the question now raised.

Order—dated 1st March 1890, No. 464 L., Local and Municipal.

The statement received from the Public Works Department will be forwarded to the Accountant-General with the following remarks, and with the request that he will make the necessary adjustments in the accounts in communication with the Examiner of Public Works Accounts:—

(1) The contribution payable by the District Board of North Arcot for the scrutiny of the estimate for constructing a bridge over the surplus channel of the Sholinghur tank should not have been recovered by the Accountant-General until the charge was finally approved by Government in the Local and Municipal Department—*vide* clause (4) of G.O., dated 1st November 1889, No. 2563 L.

(2) No contribution should be charged to Local Funds for the scrutiny of the estimates for constructing the hospital and the high school buildings at Anantapur, as they are municipal works.

(3) The President, District Board, Tanjore, is requested to explain the circumstances under which the estimate amounting to Rs. 4,365 for completing the village road from Kattúr to Senthamangalam was forwarded to the Public Works Department for scrutiny—*vide* No. 36 of the Local Fund Rules.
