GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

General.
Account.

READ—the following paper :—

Office note from the Examiner, Public Works Accounts, dated Madras, 13th March 1890, No. 1413.

With reference to the Government of India Resolution No. 6222 of 13th December 1889, communicated with G.O., No. 212 W., dated 23rd January 1890, authorising the Examiner to pass unavoidable charges for postal commission on money orders as ordinary contingent charges, I would suggest that the approval of Government be obtained to at once modify the code rules so as to permit of payment, by money orders, of the salaries of all members of the works establishment, and of members of the regular establishments below the rank of upper subordinates, *whose head-quarters are far from Government treasuries*, and who cannot therefore be conveniently paid by cheque; and that Superintending Engineers should be asked to report whether any other classes of payments might with advantage be made in the same way.

2. In this connection I would invite attention to paras. 194 *et seq.* of my printed note on the report of the Committee on Public Works Accounts.

ORDER—dated 20th March 1890, No. 913 W., Public Works.

The proposed modification of code rules is approved.

2. Superintending Engineers will furnish the information indicated in the last sentence of para. 1 of the Examiner's note.
