THE HON. J. GROSE, M.A.

Read—the following letter from the Collector of South Arcot, dated 18th April 1889, No. 532-Indexed :—

I have the honor to forward, for the approval of Government, in the Revenue Department, an estimate, &c., amounting to Rs. 20,550, for constructing a first-class taluk cutcherry at Tiruvannámalai, received from the Superintending Engineer, V Circle, Madras.

Resolution—dated 5th June 1889, No. 3349, Mis.

The site plan and estimate for building a first-class taluk office at Tiruvannámalai are submitted for the sanction of Government with reference to G.O., dated 24th March 1885, No. 734 W.

2. The amount of the estimate is given by the Superintending Engineer as Rs. 20,735, but, according to the Collector, it is Rs. 20,550. The Collector is requested to explain the discrepancy.

Read—the following letter from the Collector of South Arcot, dated 1st July 1889, No. 876-Indexed :—

With reference to paragraph 2 of the Board's Proceedings, No. 3349, Mis., dated 5th June 1889, I have the honor to state that the Superintending Engineer, V Circle,

Madras, reports that the correct amount of the estimate for the taluk cutcherry at Tiruvannamalai is Rs. 20,785, which includes a provision for an asphalt damp course, which was considered to be necessary subsequent to the framing of the original estimate, which amounted to only Rs. 20,550.

Resolution—dated 6th July 1889, No. 4060A, Mis.

Submitted to Government in continuation of Board's Proceedings quoted by the Collector.

G.O., Revenue Department, dated 26th June 1889, No. 3444, Mis.

Reference thereon, dated 6th July 1889.

Forwarded to the Collector of South Arcot. He is requested to furnish the information required by Government.

Letter from H. SEWELL, Esq., Collector of South Arcot, to the Secretary to the Commissioners of Land Revenue, dated Cuddalore, 21st December 1889, No. 1951-Indexed.

Referring to Board's reference on Government Register No. 1360, dated 16th July 1889, I have the honor to state that the taluk cutcherry at Tiruvannamalai was one of the buildings entered in the list sent up with this office letter No. 430, dated 31st October 1873. It is an old fashioned cutcherry but not very inconvenient on the whole for that muster.

2. Cuddalore and Kallakurchi have got taluk cutcherries on the new plan. Villupuram is under construction. Chidambaram and Tindivanam, both of them more important taluks than Tiruvannamalai, have the old muster of buildings and are rather more inconvenient and crowded up than Tiruvannamalai. I would prefer to have a new cutcherry built at either of these stations rather than at Tiruvannamalai. I would say Tindivanam for choice as there will be great difficulty in getting another site at Chidambaram, whereas a site has already been selected in Tindivanam.

Resolution—dated 27th January 1890, No. 487, Mis.

The Collector's letter with Mr. Sullivan's report No. 430, dated 31st October 1873 (to be returned) will be submitted to Government. Under the circumstances now reported, it would seem best to replace the taluk office at Tindivanam first before taking any steps with regard to Tiruvannamalai.

2. The Collector should have reported his opinion, as now stated, at the time he sent up the estimate.

Miscellaneous.

The attention of the Board will be drawn to G.O., dated 7th March 1888, No. 770 W., communicated with Revenue G.O., dated 26th March 1888, No. 1961, Mis., from which it will be seen that estimates for the construction of a new taluk office at Tindivanam have been sanctioned.

2. Chidambaram will be the next taluk to be provided with a new cutcherry and estimates should be submitted as soon as the question of a site has been settled.

The office is held in a detached miserable shed. Very emergent.

A portion of the office is now held in a rented building. The extension proposed is said to be imperatively necessary.

There is no suitable place for landing and storing dangerous goods.

The orders quoted do not show whether the cutcheries are very urgently wanted. They may stand over if funds are not available in 1885-86.

The works are in progress.

G.O., dated 4th May 1895, Mis. No. 1786, Revenue.

Read—the following office-note from the Secretary to Government, Public Works Department, to the Secretary to Government, Revenue Department, dated 17th April 1895, No. 8 D.

Under existing procedure proposals are frequently made by Public Works officers to the Public Works Department of the Secretariat for the sale of abandoned buildings in charge of this department. The sanction given sometimes includes the sale of the land attached to the buildings, and when this is the case, the sale is, under paragraph 2 of G.O., No. 1400 W., dated 27th May 1889, carried out by the Revenue authorities. This procedure seems to require amendment. The Public Works officers who initiate the proposals for the sale of building sites are not only ignorant of the revenue details essential to the conveyance of a valid title but are not even in a position to judge of the expediency or otherwise of the alienation of the land at all. It would probably be better, therefore, if all proposals for the sale of the sites of buildings were submitted by the Collector direct to the Revenue Department; when the question is simply one for the sale of the materials of which the buildings are composed, the existing practice under which Superintending Engineers apply to the Public Works Department of the Secretariat might be continued.

2. If you agree, orders on the subject might issue in the Revenue Department.

Order—dated 4th May 1895, Mis. No. 1786, Revenue.

The procedure suggested in the above office-note will be adopted in future whenever it is proposed to sell buildings in charge of the Public Works Department with the sites on which they stand or with the attached lands. In such cases the Public Works officer in charge of the building should place himself in communication with the Collector of the district who will take the orders of Government in the Revenue Department.

From Major W. L. C. BADDELEY, R.E., Superintending Engineer, II Circle, to the Chief Engineer, Public Works Department, dated 6th July 1895, No. 823 K.S.

In reference to G.O., No. 1786, Revenue, dated 4th May 1895, communicated with G.O., No. 1211 W., dated 20th May 1895, I have the honour to suggest that the order might be modified so as to provide for the Superintending Engineer being informed of any proposals for the sale of buildings and sites.

2. As the order stands it is open to an Executive Engineer, who is the officer in charge of buildings, to arrange with the Collector for the disposal of a site with the result that a Government order may issue in the Revenue Department without the Superintending Engineer having been able to record his opinion on the subject.

I have the honor to forward, for the approval of Government, to the Revenue Department, an estimate, &c., amounting to Rs. 20,550, for constructing a first-class taluk cutcherry at Tiruvannamalai, received from the Superintending Engineer, V Circle, Madras.

Resolution—dated 5th June 1889, No. 3349, Mis.

The site plan and estimate for building a first-class taluk office at Tiruvannamalai are submitted for the sanction of Government with reference to G.O., dated 24th March 1885, No. 734 W.

2. The amount of the estimate is given by the Superintending Engineer as Rs. 20,735, but, according to the Collector, it is Rs. 20,550. The Collector is requested to explain the discrepancy.

Letter from H. SEWELL, Esq., Collector of South Arcot, to the Secretary to the Commissioners of Land Revenue, dated Cuddalore, 21st December 1889, No. 1951-Indexed.

Referring to Board's reference on Government Register No. 1360, dated 16th July 1889, I have the honor to state that the taluk cutcherry at Tiruvannamalai was one of the buildings entered in the list sent up with this office letter No. 430, dated 31st October 1873. It is an old fashioned cutcherry but not very inconvenient on the whole for that muster.

2. Cuddalore and Kallakurichi have got taluk cutcherries on the new plan. Villupuram is under construction. Chidambaram and Tindivanam, both of them more important taluks than Tiruvannamalai, have the old muster of buildings and are rather more inconvenient and crowded up than Tiruvannamalai. I would prefer to have a new cutcherry built at either of these stations rather than at Tiruvannamalai. I would say Tindivanam for choice as there will be great difficulty in getting another site at Chidambaram, whereas a site has already been selected in Tindivanam.

Resolution—dated 27th January 1890, No. 487, Mis.

The Collector's letter with Mr. Sullivan's report No. 430, dated 31st October 1873 (to be returned) will be submitted to Government. Under the circumstances now reported, it would seem best to replace the taluk office at Tindivanam first before taking any steps with regard to Tiruvannamalai.

2. The Collector should have reported his opinion, as now stated, at the time he sent up the estimate.
